SUBJECT INDEX

In this index are the subject listings for articles that have appeared in the *Journal*. Index of pages by month is as follows:

January	1-166	April	367-470	July	665-768	October	965-1064
February	167-266	May	471-568	August	769-864	November	1065-1160
March	267-366	June	569-664	September	865-964	December	1161-1256

A

ABDOMEN, ACUTE
surgical treatment of gastrointestinal B-cell mucosa-associated lymphoid tissue lymphomas (Papachristodoulou et al), 723
ABDOMINAL ABSCESS
inflammatory pseudotumor of the liver associated with extrahepatic infection (White et al), 23
ABDOMINAL INJURIES
air bags alone compared with combination of mechanical restraints and air bags: implications for the emergency evaluation of crash victims (Sutyak et al), 915
ABDOMINAL PAIN
an unusual complication of diabetes mellitus: the zebra that became a horse (Nicol & Davis), 83
cholecystectomy alleviates acalculous biliary pain in patients with a reduced gallbladder ejection fraction (Khosla et al), 1087
clinical association of *Helicobacter pylori* gastritis in children (letter) (Eltumi et al), 461
clinical association of *Helicobacter pylori* gastritis in children (letter, reply) (Gremse & Sacks), 462
duodenal obstruction in thyroid storm (Cansler et al), 1143
management of gallbladder polyps (Mangel), 481
meperidine-induced generalized seizures with normal renal function (Marinella), 556
mesenteric tumor emboli manifested as recurrent abdominal pain (Duckworth et al), 419
sudden death due to disseminated cryptococcosis in a child with leukemia in remission (Lascari et al), 1253
wandering spleen: a challenging diagnosis (Desai et al), 439
ABERRANT TISSUE. see CHORISTOMA
ABNORMALITIES, MULTIPLE
airway management in a patient with Hecht's syndrome (Lano & Werkhaven), 1241
recurrence of spondylothoracic dysplasia (Jarcho-Levin syndrome) in a family (Bautista et al), 1234
splenogonadal fusion with limb deficiency and micrognathia (Moore et al), 1152
unilateral pulmonary agenesis without mediastinal displacement (Roque et al), 335
ABSCESS
Lemierre's syndrome (Lee et al), 640
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
perforated cecal adenocarcinoma presenting as a thigh abscess (Mann et al), 949
ACARBOSE
the deadly quartet—the insulin resistance syndrome (Opara & Levine), 1162
ACCIDENT PREVENTION
hazards associated with metalworking by artists (Weiss & Lesser), 665
illnesses and injuries at summer camp (Key), 489
ACCIDENTAL FALLS
use of emergency departments by the elderly in rural areas (Hamdy et al), 616
ACCIDENTS, TRAFFIC
air bags alone compared with combination of mechanical restraints and air bags: implications for the emergency evaluation of crash victims (Sutyak et al), 915
cardiac rupture due to blunt trauma (Tassiopoulos et al), 740
ipsilateral femoral neck and shaft fractures (Koldenhoven et al), 288
ACETAMINOPHEN
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
prenatal use of medications by women giving birth at a university hospital (Splinter et al), 498
ACETIC ACIDS
pharmacologic and dietary therapies in epilepsy: conventional treatments and recent advances (Chapman & Giles), 471
ACETYLCHOLINE
atracurium and persistent paralysis (letter) (Marinella), 95
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
ACETYLENE
hazards associated with metalworking by artists (Weiss & Lesser), 665
ACIDOSIS
hyperphosphatemia associated with phosphorus-containing laxatives in a patient with chronic renal insufficiency (Escalante et al), 240
ACOUSTIC NEUROMA
proposed algorithm to aid the diagnosis of cerebellopontine angle tumors (Astor et al), 514
ACQUIRED IMMUNODEFICIENCY SYNDROME
acquired immunodeficiency syndrome in Alabama: special concerns for black women (Holmes et al), 697
anaplastic large cell lymphoma of T-cell phenotype in acquired immunodeficiency syndrome (Bozner & Elkhalifa), 559
cutaneous protothecosis in association with the acquired immunodeficiency syndrome (Polk & Sanders), 831
idiopathic midesophageal stricture: a new cause of dysphagia in a patient with AIDS (Shaprio et al), 80
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
survival benefits of pulmonary cellular activation in AIDS patients with *Pneumocystis* infection (Sharma et al), 531
thoracic actinomycosis and human immunodeficiency virus infection (Ossorio et al), 1136
ACTH. see CORTICOTROPIN

thoracic actinomycosis and human immunodeficiency virus infection (Ossorio et al), 1136
ACTH. see CORTICOTROPIN

ACTINOMYCETALES INFECTIONS
spontaneous resolution of rhodococcal pulmonary infection in a liver transplant recipient (Schilz et al), 850
ACTINOMYCOSIS
inflammatory pseudotumor of the liver associated with extrahepatic infection (White et al), 23
thoracic actinomycosis and human immunodeficiency virus infection (Ossorio et al), 1136
ACTION POTENTIALS
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
ACTIVITIES OF DAILY LIVING
can market-based solutions work for all of Medicare? barriers to reform in the Medicare population residing in health professional shortage areas (Kohrs), 493
geriatric medicine as a challenge to internists (ed.) (Cassel), 762
ipsilateral femoral neck and shaft fractures (Koldenhoven et al), 288
systemic radionuclide therapy with strontium chloride Sr 89 for painful skeletal metastases in prostate and breast cancer (Patel & Flowers), 506
ACYCLOVIR
gestational herpes simplex virus hepatitis (Yaziji et al), 347
history of the cytomegalovirus (Riley), 184
ADENOCARCINOMA
en bloc pancreaticoduodenectomy and colectomy for duodenal neoplasms (Edwards et al), 733
gastric adenocarcinoma and low-grade B-cell lymphoma of mucosa-associated lymphoid tissue (Hardman et al), 426
granuloma annulare associated with malignancy (Cohen), 1056
Helicobacter pylori-associated gastroduodenal disease in childhood (Blecker), 570
high grade dysplasia/esophageal adenocarcinoma in short segment Barrett's esophagus (Iqbal et al), 828
increased incidence of non-transitional cell carcinoma of the bladder in women of the Texas Gulf Coast region (Orihuela et al), 801
isolated splenic metastases from colon cancer (Indudhara et al), 633
primary breast cancer in aberrant breast tissue in the axilla (Yerra et al), 661
prostate cancer metastatic only to the penis (Celebi et al), 959
ADENOCARCINOMA, MUCINOUS
perforated cecal adenocarcinoma presenting as a thigh abscess (Mann et al), 949
stage I ovarian carcinoma: specialty-related differences in survival and management (Puls et al), 1097
ADENOIDECTOMY
airway management in a patient with Hecht's syndrome (Lano & Werkhaven), 1241
ADENOLYMPHOMA
Warthin's tumor and cigarette smoking (Vories & Ramirez), 416
ADENOMA
significance of nondiagnostic fine-needle aspiration of the thyroid (Schmidt et al), 1183successful resection of multifocal hepatic adenoma during pregnancy (Hill et al), 357
ADENOMA, ISLET-CELL
intravascular tumor: a previously unreported finding of glucagonoma (Geehan et al), 743
ADENOMA, PLEOMORPHIC
Warthin's tumor and cigarette smoking (Vories & Ramirez), 416
ADENOMA, VILLOUS
dermatomyositis in association with rubulovillous adenoma: resolution after resection of adenoma (Badr et al), 321
ADHESIONS
appendectomy (letter) (Perone), 263
appendectomy (letter, reply) (Fenoglio), 263
ADIPOSE TISSUE
effects of cardiac rehabilitation and exercise programs on exercise capacity, coronary risk factors, behavior, and quality of life in patients with coronary artery disease (Maines et al), 43
ADJUVANTS, IMMUNOLOGIC
hepatitis B: diagnosis and treatment (Davis), 866
ADMINISTRATION, INHALATION
potential for tolerance, morbidity, and mortality resulting from regular use of β_2-adrenergic agonists in asthma (Giangrasso), 173
ADMINISTRATION, RECTAL
cancer pain management and rectal opioids (letter, reply) (Conroy), 366
cancer pain management and rectal opioids (letter) (Rousseau), 365
duodenal obstruction in thyroid storm (Cansler et al), 1143
ADMINISTRATION, SUBLINGUAL
duodenal obstruction in thyroid storm (Cansler et al), 1143
ADOLESCENT BEHAVIOR
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
social influence on southern adolescents' smoking transition: a retrospective study (Wang et al), 218
ADRENAL CORTEX HORMONES
anserine bursitis: a brief review (Handy), 376
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
reactive airways dysfunction syndrome: occurrence after exposure to a refractory ceramic fiber-phosphoric acid binder mixture (Forrester), 447
ADRENERGIC ALPHA-ANTAGONISTS
the deadly quartet—the insulin resistance syndrome (Opara & Levine), 1162
side effects of terazosin in the treatment of symptomatic benign prostatic hyperplasia (McKiernan & Lowe), 509
urologic experience in 48 heart transplant patients (Donaldson & Fuselier), 1084
ADRENERGIC BETA-AGONISTS
potential for tolerance, morbidity, and mortality resulting from regular use of β_2-adrenergic agonists in asthma (Giangrasso), 173
ADRENERGIC BETA-ANTAGONISTS
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
ADVANCE DIRECTIVES
setting limits and long-term care of the frail elderly (ed.) (Nusbaum), 256
AEROPHAGY
acute colonic pseudo-obstruction complicated by cecal perforation in a patient with Parkinson's disease (Marinella), 1023

AEROSOLS
methemoglobinemia caused by benzocaine topical spray (Cooper), 946
AGAMMAGLOBULINEMIA
chronic diarrhea associated with thymoma and hypogammaglobulinemia (Good's syndrome) (Verne et al), 444
AGE FACTORS
appendiceal spirochetosis (Yang & Lapham), 30
beachfront screening for skin cancer in Texas Gulf Coast surfers (Dozier et al), 55
effects of age, sex, and initial presentation on the clinical course of Behcet's syndrome (letter) (Demiroglu & Dündar), 567
implications of the Diabetes Control and Complications Trial for persons with non–insulin-dependent diabetes mellitus (Vinik & Richardson), 268
increased incidence of non-transitional cell carcinoma of the bladder in women of the Texas Gulf Coast region (Orihuela et al), 801
influence of age on optimal daily levothyroxine dosage in patients with primary hypothyroidism grouped according to etiology (Kabadi), 920
undocumented smokeless tobacco use in a family practice population (Feierabend), 1225
AGED
assessing testamentary capacity in elderly people (Regan & Gordon), 13
can market-based solutions work for all of Medicare? barriers to reform in the Medicare population residing in health professional shortage areas (Kohrs), 493
coexistence of granular cell tumor and ipsilateral infiltrating ductal carcinoma of the breast (Tran et al), 1149
colonic metastasis from a primary renal leiomyosarcoma: an unusual cause of gastrointestinal hemorrhage (Buchman & Truong), 1238
community-acquired pneumonia in the elderly: association of mortality with lack of fever and leukocytosis (Ahkee et al), 296
community-acquired pneumonia in the elderly (letter) (Byrd & Roy), 863
community-acquired pneumonia in the elderly (letter, reply) (Ramirez), 863
comparison of three perineal procedures for the treatment of rectal prolapse (Agachan et al), 925
geriatric medicine as a challenge to internists (ed.) (Cassel), 762
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
side effects of terazosin in the treatment of symptomatic benign prostatic hyperplasia (McKiernan & Lowe), 509
tension hydrothorax (Yaylali et al), 1156
use of emergency departments by the elderly in rural areas (Hamdy et al), 616
AGROBACTERIUM
cellulitis and myositis caused by *Agrobacterium radiobacter* and *Haemophilus parainfluenzae* after influenza virus vaccination (Owensby et al), 752
AIDS-RELATED OPPORTUNISTIC INFECTIONS
cutaneous protothecosis in association with the acquired immunodeficiency syndrome (Polk & Sanders), 831
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
survival benefits of pulmonary cellular activation in AIDS patients with *Pneumocystis* infection (Sharma et al), 531
AIR BAGS
air bags alone compared with combination of mechanical restraints and air bags: implications for the emergency evaluation of crash victims (Sutyak et al), 915
AIR POLLUTANTS, OCCUPATIONAL
hazards associated with metalworking by artists (Weiss & Lesser), 665
AIRWAY OBSTRUCTION
airway obstruction in ulcerative colitis (Cross & Scudder), 248
AKATHISIA, DRUG-INDUCED
sarin poisoning in Tokyo subway (Ohbu et al), 586
ALABAMA
acquired immunodeficiency syndrome in Alabama: special concerns for black women (Holmes et al), 697
cancer incidence among predominantly black, rural-poor populations in Southern states (Weiss et al), 986
depressive symptoms as correlates of polydrug use for blacks in a high-risk community (Wang et al), 1123
prevalence of obesity with increased blood pressure in elementary school-aged children (Figueroa-Colon et al), 806
social influence on southern adolescents' smoking transition: a retrospective study (Wang et al), 218
ALANINE AMINOTRANSFERASE
chronic hepatitis C (Sharara), 872
hepatitis B: diagnosis and treatment (Davis), 866
ALBUTEROL
potential for tolerance, morbidity, and mortality resulting from regular use of β_2-adrenergic agonists in asthma (Giangrasso), 173
reactive airways dysfunction syndrome: occurrence after exposure to a refractory ceramic fiber-phosphoric acid binder mixture (Forrester), 447
Stevens-Johnson syndrome and respiratory failure in a 9-year-old boy (Schamberger et al), 755
ALCOHOL DRINKING
delayed onset of pseudomembranous colitis after rifampin therapy (Byrd et al), 644
prenatal use of medications by women giving birth at a university hospital (Splinter et al), 498
ALCOHOLICS ANONYMOUS
how to treat coexistent mental illness and substance abuse (Velasco et al), 180
ALCOHOLISM
depressive symptoms as correlates of polydrug use for blacks in a high-risk community (Wang et al), 1123
ALDOSTERONISM. see HYPERALDOSTERONISM
ALGORITHM
chronic hepatitis C (Sharara), 872
hepatitis B: diagnosis and treatment (Davis), 866
proposed algorithm to aid the diagnosis of cerebellopontine angle tumors (Astor et al), 514
ALLIED HEALTH PERSONNEL
physician education in hyperlipidemia management: the impact on collaboration (Czerwinski et al), 685
ALPHA-FETOPROTEINS
management of the adnexal mass in the 1990s (Gallup & Talledo), 972
ALTEPLASE
acute myocardial infarction in patients who have had coronary artery bypass surgery (Shapira et al), 1129

ALTERNATIVE MEDICINE
'natural remedies,' medical care, and politics (ed.) (Bollet), 457
ALZHEIMER'S DISEASE
diagnosis of Alzheimer's disease in a community hospital-based brain bank program (Pearl), 720
AMAUROSIS FUGAX. see BLINDNESS
AMBULANCES
use of emergency departments by the elderly in rural areas (Hamdy et al), 616
AMBULATORY CARE
outpatient bowel preparation for elective colon resection (Le et al), 526
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
women's experiences with domestic violence and their attitudes and expectations regarding medical care of abuse victims (Caralis & Musialowski), 1075
AMIDARONE
influence of age on optimal daily levothyroxine dosage in patients with primary hypothyroidism grouped according to etiology (Kabadi), 920
AMINOGLYCOSIDES
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
4-AMINOPYRIDINE
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
AMITRIPTYLINE
problems in assessment of acute melatonin overdose (Holliman & Chyka), 451
AMMONIO STEROIDS
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
AMMONIUM TETRATHIOMOLYBDATE
Wilson's disease (Baban et al), 535
AMOXICILLIN
cellulitis and myositis caused by *Agrobacterium radiobacter* and *Haemophilus parainfluenzae* after influenza virus vaccination (Owensby et al), 752
Helicobacter pylori-associated gastroduodenal disease in childhood (Blecker), 570
Stevens-Johnson syndrome and respiratory failure in a 9-year-old boy (Schamberger et al), 755
AMPHOTERICIN B
fatal rhino-orbital-cerebral zygomycosis (Kameh et al), 1133
neonatal *Torulopsis glabrata* fungemia (Reich et al), 246
nonfatal gastric mucormycosis in a renal transplant recipient (Martinez et al), 341
pulmonary blastomycosis with acute respiratory failure as predominant clinical feature (Mukkamala et al), 847
AMPICILLIN
acute colonic pseudo-obstruction complicated by cecal perforation in a patient with Parkinson's disease (Marinella), 1023
airway obstruction in ulcerative colitis (Cross & Scudder), 248
atracurium and persistent paralysis (letter, reply) (Seelig & Rubio), 95
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
thoracic actinomycosis and human immunodeficiency virus infection (Ossorio et al), 1136
Vibrio fluvialis: an underrecognized enteric pathogen in infants? (Kolb et al), 544
AMPUTATION
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
surgical morbidity and the risk of amputation due to infected puncture wounds in diabetic versus nondiabetic adults (Armstrong et al), 384
AMPUTATION, TRAUMATIC
the great imitator: Rocky Mountain spotted fever occurring after hospitalization for unrelated illnesses (Eloubeidi et al), 943
ANALGESICS, OPIOID
cancer pain management and rectal opioids (letter, reply) (Conroy), 366
cancer pain management and rectal opioids (letter) (Rousseau), 365
meperidine-induced generalized seizures with normal renal function (Marinella), 556
ANALYSIS OF VARIANCE
correlation of menstrual cycle at time of breast cancer surgery to disease-free and overall survival (Vanek et al), 780
ANASTOMOSIS, SURGICAL
the addition of antibiotics to fibrin glue (Thompson & Davis), 681
comparison of three perineal procedures for the treatment of rectal prolapse (Agachan et al), 925
esophageal atresia in an in vitro fertilization pregnancy (Whitman-Elia et al), 86
isolated colonic neurofibroma manifested by massive lower gastrointestinal bleeding and intussusception (Abramson et al), 952
nonfatal gastric mucormycosis in a renal transplant recipient (Martinez et al), 341
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965
ANATOMY
two lives (Lipman), 293
ANDROGEN ANTAGONISTS
prostate cancer metastatic only to the penis (Celebi et al), 959
ANEMIA, APLASTIC
rapid progression of acquired amegakaryocytic thrombocytopenia to aplastic anemia (King et al), 91
ANEMIA, HEMOLYTIC
Wilson's disease (Baban et al), 535
ANEMIA, IRON-DEFICIENCY
ferrous sulfate-induced increase in requirement for thyroxine in a patient with primary hypothyroidism (Shakir et al), 637
ANEMIA, SICKLE CELL
mental disorders in children and adolescents with sickle cell disease (Cepeda et al), 284
ANESTHESIA, EPIDURAL
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965
ANESTHESIA, GENERAL
airway management in a patient with Hecht's syndrome (Lano & Werkhaven), 1241
monoamine oxidase inhibitors and cardiac anesthesia revisited (Noorily et al), 836
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965
ANESTHESIA, LOCAL
methemoglobinemia caused by benzocaine topical spray (Cooper), 946

necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
ANESTHETICS
anserine bursitis: a brief review (Handy), 376
ANEURYSM, FALSE
ultrasound-guided compression for the treatment of iatrogenic femoral pseudoaneurysms (Weatherford et al), 223
ANEURYSM, RUPTURED
bilateral persistent trigeminal arteries associated with cerebral aneurysms and aortic arch vessel anomaly (Alleyne et al), 434
intracranial saccular (berry) aneurysm: a brief overview (Minyard & Parker), 672
safety of carotid endarterectomy associated with small intracranial aneurysms (Kann et al), 1213
ANGINA, UNSTABLE
acute myocardial infarction in patients who have had coronary artery bypass surgery (Shapira et al), 1129
unexpected opportunities: incidental findings detected during impairment evaluations for coal workers' pneumoconiosis (Prince & Frank), 413
ANGIOEDEMA. see ANGIONEUROTIC EDEMA
ANGIOGENESIS FACTOR
isolated splenic metastases from colon cancer (Indudhara et al), 633
ANGIOGRAPHY
extrarenal retroperitoneal angiomyolipoma (Fegan et al), 59
radiodermatitis after transjugular intrahepatic portosystemic shunt (Knautz et al), 352
ANGIOMYOLIPOMA
extrarenal retroperitoneal angiomyolipoma (Fegan et al), 59
ANGIONEUROTIC EDEMA
angioedema associated with angiotensin II receptor antagonist losartan (Sharma & Yium), 552
ANGIOPLASTY, TRANSLUMINAL, PERCUTANEOUS CORONARY
effects of cardiac rehabilitation and exercise programs on exercise capacity, coronary risk factors, behavior, and quality of life in patients with coronary artery disease (Maines et al), 43
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965
ANGIOSARCOMA. see HEMANGIOSARCOMA
ANGIOTENSIN II
angioedema associated with angiotensin II receptor antagonist losartan (Sharma & Yium), 552
ANGIOTENSIN-CONVERTING ENZYME INHIBITORS
the deadly quartet—the insulin resistance syndrome (Opara & Levine), 1162
ANOXEMIA
focal reexpansion pulmonary edema after drainage of large pleural effusions: clinical evidence suggesting hypoxic injury to the lung as the cause of edema (Woodring), 1176
tension hydrothorax (Yaylali et al), 1156
ANTACIDS
prenatal use of medications by women giving birth at a university hospital (Splinter et al), 498
ANTIBIOTIC PROPHYLAXIS
ceftriaxone versus cefazolin in peripheral arterial operations: a randomized, prospective trial (Ross et al), 16
elective versus emergency cesarean hysterectomy on a teaching service—1981 to 1991 (Lu et al), 50
nephron-sparing surgery compared with radical nephrectomy for renal tumors: current indications and results (Indudhara et al), 982
urologic experience in 48 heart transplant patients (Donaldson & Fuselier), 1084
ANTIBIOTICS
the addition of antibiotics to fibrin glue (Thompson & Davis), 681
ascites associated with antibiotic-associated pseudomembranous colitis (letter) (Parikh & Edlund), 460
brodifacoum rodenticide ingestion in a patient with shigellosis (Stanziale et al), 833
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
inflammatory pseudotumor of the liver associated with extrahepatic infection (White et al), 23
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
prenatal use of medications by women giving birth at a university hospital (Splinter et al), 498
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae*: implications for outpatient treatment (Waites et al), 621
ANTIBIOTICS, AMINOGLYCOSIDE
aminoglycoside levels in critically ill surgical patients: the implications of physiologic criteria of sepsis (Cornwell et al), 33
atracurium and persistent paralysis (letter) (Marinella), 95
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
ANTIBIOTICS, ANTITUBERCULAR
delayed onset of pseudomembranous colitis after rifampin therapy (Byrd et al), 644
ANTIBIOTICS, COMBINED
Lemierre's syndrome (Lee et al), 640
ANTIBIOTICS, LACTAM
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae*: implications for outpatient treatment (Waites et al), 621
ANTIBIOTICS, TETRACYCLINE
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
systemic ehrlichiosis presenting as progressive hepatosplenomegaly (Friedman et al), 656
ANTIBODIES, BACTERIAL
Guillain-Barré syndrome and cytomegalovirus infection during pregnancy (Mendizabal & Bassam), 63
ANTIBODIES, BLOCKING
hypothyroid Graves' disease (Lesho & Jones), 1201
ANTIBODIES, MONOCLONAL
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
ANTIBODIES, VIRAL
gestational herpes simplex virus hepatitis (Yaziji et al), 347
ANTICHOLESTEREMIC AGENTS
rhabdomyolysis associated with simvastatin-gemfibrozil therapy (Tal et al), 546
ANTICOAGULANTS
thrombosis of the deep femoral vein: a potential pitfall

of color flow duplex doppler ultrasonography (Hofmann et al), 1244
ANTICONVULSANTS
pharmacologic and dietary therapies in epilepsy: conventional treatments and recent advances (Chapman & Giles), 471
ANTIDEPRESSIVE AGENTS, TRICYCLIC
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
ANTIDOTES
methemoglobinemia caused by benzocaine topical spray (Cooper), 946
ANTI-DYSKINESIA AGENTS
tongue protrusion dystonia: treatment with botulinum toxin (Charles et al), 522
ANTIEMETICS
marijuana to prevent nausea and vomiting in cancer patients: a survey of clinical oncologists (Schwartz et al), 167
ANTIFIBRINOLYTIC AGENTS
deep venous thrombosis: prediction by D-dimer? (Kozman et al), 906
ANTIGENS, CD34
solitary fibrous tumors: a series of lesions, some in unusual sites (Khalifa et al), 793
ANTIGENS, NEOPLASM
anaplastic large cell lymphoma of T-cell phenotype in acquired immunodeficiency syndrome (Bozner & Elkhalifa), 559
ANTIGENS, TUMOR-ASSOCIATED, CARBOHYDRATE
elevated tumor-associated antigen CA19-9 in a patient with an enlarged pancreas: does it always imply malignancy? (Tolliver & O'Brien), 89
ANTI-GM_1 ANTIBODIES. see $G(M_1)$ GANGLIOSIDE
ANTIHISTAMINES
prenatal use of medications by women giving birth at a university hospital (Splinter et al), 498
ANTIHYPERTENSIVE AGENTS
angioedema associated with angiotensin II receptor antagonist losartan (Sharma & Yium), 552
the deadly quartet—the insulin resistance syndrome (Opara & Levine), 1162
pregnancy complicated by primary aldosteronism (Webb & Bayliss), 243
ANTI-INFECTIVE AGENTS
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
ANTI-INFECTIVE AGENTS, FLUOROQUINOLONE
multicenter, randomized study comparing levofloxacin and ciprofloxacin for uncomplicated skin and skin structure infections (Nichols et al), 1193
ANTI-INFLAMMATORY AGENTS, NON-STEROIDAL
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
ANTIMONY SODIUM GLUCONATE
sporotrichoid cutaneous leishmaniasis in a traveler (Willems et al), 325
ANTINEOPLASTIC AGENTS, COMBINED
bilateral non-Hodgkin's lymphoma of the breast mimicking mastitis (Dawn & Perry), 328
Hodgkin's disease associated with neurologic paraneoplastic syndrome (Vickers & Niederhuber), 839
transverse leukonychia in patients receiving cancer chemotherapy (Chapman & Cohen), 395
ANTIPSYCHOTIC AGENTS
sertindole hydrochloride: a novel antipsychotic medication with a favorable side effect profile (Brown & Radford), 691
ANXIETY DISORDERS
mental disorders in children and adolescents with sickle cell disease (Cepeda et al), 284
neurologic and neuropsychiatric complications of Crohn's disease (Elsehety & Vertorini), 606
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
AORTA
sequential herniation of stomach, then colon through the aortic hiatus (Wagner et al), 338
AORTA, ABDOMINAL
mesenteric tumor emboli manifested as recurrent abdominal pain (Duckworth et al), 419
AORTIC ANEURYSM, ABDOMINAL
presentation and treatment of spontaneous aortocaval fistula (Skinner et al), 993
AORTIC RUPTURE
presentation and treatment of spontaneous aortocaval fistula (Skinner et al), 993
AORTIC VALVE INSUFFICIENCY
Erysipelothrix rhusiopathiae endocarditis: clinical features of an occupational disease (Hill & Ghassemian), 1147
AORTOCORONARY BYPASS. see CORONARY ARTERY BYPASS
AORTOGRAPHY
bilateral persistent trigeminal arteries associated with cerebral aneurysms and aortic arch vessel anomaly (Alleyne et al), 434
presentation and treatment of spontaneous aortocaval fistula (Skinner et al), 993
APACHE
aminoglycoside levels in critically ill surgical patients: the implications of physiologic criteria of sepsis (Cornwell et al), 33
outcome in medical intensive care unit patients requiring abdominal surgery: prospective validation of a risk classification system (Kollef & Allen), 405
APGAR SCORE
elective versus emergency cesarean hysterectomy on a teaching service—1981 to 1991 (Lu et al), 50
ventilator management of infants before extracorporeal membrane oxygenation (Edwards et al), 627
APNEA
diaphragmatic flutter emulating recalcitrant asthma (Harrison & Onorato), 234
APPENDECTOMY
appendectomy (letter) (Perone), 263
appendectomy (letter, reply) (Fenoglio), 263
appendiceal spirochetosis (Yang & Lapham), 30
pneumoappendix after an inversion appendectomy (Barone et al), 1250
APPENDICITIS
appendiceal spirochetosis (Yang & Lapham), 30
ARTERIOVENOUS FISTULA
presentation and treatment of spontaneous aortocaval fistula (Skinner et al), 993
ARTHRITIS, INFECTIOUS
pneumococcal sacroiliitis (Pinson et al), 649
ARTISTS
hazards associated with metalworking by artists (Weiss & Lesser), 665

ASBESTOS
mesothelioma: a study of 22 cases (King et al), 199
ASCITES
ascites associated with antibiotic-associated pseudomembranous colitis (letter) (Parikh & Edlund), 460
ascites associated with antibiotic-associated pseudomembranous colitis (letter, reply) (Marshall), 460
ASPIRATION, MECHANICAL
focal reexpansion pulmonary edema after drainage of large pleural effusions: clinical evidence suggesting hypoxic injury to the lung as the cause of edema (Woodring), 1176
ASPIRIN
acute myocardial infarction in patients who have had coronary artery bypass surgery (Shapira et al), 1129
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
ASTHMA
potential for tolerance, morbidity, and mortality resulting from regular use of β_2-adrenergic agonists in asthma (Giangrasso), 173
reactive airways dysfunction syndrome: occurrence after exposure to a refractory ceramic fiber-phosphoric acid binder mixture (Forrester), 447
twenty-four-hour ambulatory esophageal pH monitoring in the diagnosis of acid reflux-related chronic cough (Vaezi & Richter), 305
ATELECTASIS
focal reexpansion pulmonary edema after drainage of large pleural effusions: clinical evidence suggesting hypoxic injury to the lung as the cause of edema (Woodring), 1176
ATHEROSCLEROSIS
acute myocardial infarction in patients who have had coronary artery bypass surgery (Shapira et al), 1129
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
oxidative stress in diabetic macrovascular disease: does homocysteine play a role? (Fonseca et al), 903
ATRACURIUM
atracurium and persistent paralysis (letter) (Marinella), 95
atracurium and persistent paralysis (letter, reply) (Seelig & Rubio), 95
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
ATROPINE
sarin poisoning in Tokyo subway (Ohbu et al), 586
ATTENTION DEFICIT DISORDER WITH HYPERACTIVITY
enuresis in children with attention-deficit hyperactivity disorder (Robson et al), 503
pediatric Graves' disease: therapeutic options and experience with radioiodine at the University of Mississippi Medical Center (Moll & Patel), 1017
ATTITUDE OF HEALTH PERSONNEL
bedside teaching (Kroenke et al), 1069
the culture of morning report: ethnography of a clinical teaching conference (Hill et al), 594
evagations: attitude (Eichold), 677
home health care: pediatric education in the community (Greenberg), 390
marijuana to prevent nausea and vomiting in cancer patients: a survey of clinical oncologists (Schwartz et al), 167
peer discussion on training physicians to be competent communicators: support for a multiple discourse approach (Parrott et al), 709
women's experiences with domestic violence and their attitudes and expectations regarding medical care of abuse victims (Caralis & Musialowski), 1075

AUDIOMETRY
proposed algorithm to aid the diagnosis of cerebellopontine angle tumors (Astor et al), 514
AUTOANTIBODIES
autoimmune thrombocytopenic purpura associated with hyperthyroidism in a single individual (Aggarwal & Doolittle), 933
influence of age on optimal daily levothyroxine dosage in patients with primary hypothyroidism grouped according to etiology (Kabadi), 920
management of multiple-antibody-mediated hyperthyroidism in children with Down's syndrome (Bhowmick & Grubb), 312
pediatric Graves' disease: therapeutic options and experience with radioiodine at the University of Mississippi Medical Center (Moll & Patel), 1017
AUTOIMMUNE DISEASES
autoimmune progesterone dermatitis: onset in a woman without previous exogenous progesterone exposure (Moody & Schatten), 845
autoimmune thrombocytopenic purpura associated with hyperthyroidism in a single individual (Aggarwal & Doolittle), 933
Helicobacter pylori-associated gastroduodenal disease in childhood (Blecker), 570
hypothyroid Graves' disease (Lesho & Jones), 1201
neurologic and neuropsychiatric complications of Crohn's disease (Elsehety & Vertorini), 606
pediatric Graves' disease: therapeutic options and experience with radioiodine at the University of Mississippi Medical Center (Moll & Patel), 1017
synchronous pulmonary cryptococcosis and histoplasmosis (Ramirez-Ortiz et al), 729
AUTOPSY
diagnosis of Alzheimer's disease in a community hospital-based brain bank program (Pearl), 720
intracranial saccular (berry) aneurysm: a brief overview (Minyard & Parker), 672
mesothelioma: a study of 22 cases (King et al), 199
unexpected second trimester pregnancy loss due to maternal parvovirus B19 infection (Lowden & Weinstein), 702
AVONEX. see INTERFERON-BETA
AXILLA
primary breast cancer in aberrant breast tissue in the axilla (Yerra et al), 661
AXILLARY VEIN
primary subclavian vein thrombosis and pulmonary embolism (Roy et al), 748
AZATHIOPRINE
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
medical therapy for inflammatory bowel disease (letter) (Gross), 567

squamous cell carcinoma arising in an unhealed wound in Crohn's disease (Sarani & Orkin), 940
AZITHROMYCIN
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621

B

BABESIOSIS
respiratory manifestations of tick-borne diseases in the Southeastern United States (Byrd et al), 1
BACK PAIN
back pain in children and adolescents: a retrospective review of 648 patients (Combs & Caskey), 789
BACTEREMIA
acute pansinusitis with bacteremia due to a beta-hemolytic group C streptococcus: *Streptococcus milleri* (El-Guizaoui & Watanakunakorn), 1248
community-acquired pneumonia in the elderly: association of mortality with lack of fever and leukocytosis (Ahkee et al), 296
BACTERIAL INFECTIONS
perioperative transfusion, postoperative infection, and recurrence of head and neck cancer (Sturgis et al), 1217
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
BACTERIAL TOXINS
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
BACTEROIDES INFECTIONS
inflammatory pseudotumor of the liver associated with extrahepatic infection (White et al), 23
BALLOON DILATATION
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
BARBITURATES
pharmacologic and dietary therapies in epilepsy: conventional treatments and recent advances (Chapman & Giles), 471
BARRETT ESOPHAGUS
high grade dysplasia/esophageal adenocarcinoma in short segment Barrett's esophagus (Iqbal et al), 828
BASAL GANGLIA DISEASES
sertindole hydrochloride: a novel antipsychotic medication with a favorable side effect profile (Brown & Radford), 691
BASILAR ARTERY
bilateral persistent trigeminal arteries associated with cerebral aneurysms and aortic arch vessel anomaly (Alleyne et al), 434
BATTERED WOMEN
women's experiences with domestic violence and their attitudes and expectations regarding medical care of abuse victims (Caralis & Musialowski), 1075
BEDSIDE CARE. see POINT-OF-CARE SYSTEMS
BEHAVIOR THERAPY
roles of mental health professionals in multidisciplinary medically supervised treatment programs for obesity (Hunter et al), 578
BEHCET'S SYNDROME
effects of age, sex, and initial presentation on the clinical course of Behcet's syndrome (letter) (Demiroglu & Dündar), 567
BELL'S PALSY. see FACIAL PALSY
BENZOCAINE
methemoglobinemia caused by benzocaine topical spray (Cooper), 946
BENZODIAZEPINES
pharmacologic and dietary therapies in epilepsy: conventional treatments and recent advances (Chapman & Giles), 471
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965
BENZYLISOQUINOLONES
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
BERRY ANEURYSM. see CEREBRAL ANEURYSM
BETASERON. see INTERFERON-BETA
BILE DUCTS
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
BILIARY TRACT DISEASES
cholecystectomy alleviates acalculous biliary pain in patients with a reduced gallbladder ejection fraction (Khosla et al), 1087
BIOLOGICAL AVAILABILITY
cancer pain management and rectal opioids (letter) (Rousseau), 365
BIOPSY
inflammatory pseudotumor of the liver associated with extrahepatic infection (White et al), 23
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
stage I ovarian carcinoma: specialty-related differences in survival and management (Puls et al), 1097
BIOPSY, NEEDLE
breast metastasis from non–small-cell lung cancer (Sadikot et al), 1063
significance of nondiagnostic fine-needle aspiration of the thyroid (Schmidt et al), 1183
BIPHENYL COMPOUNDS
angioedema associated with angiotensin II receptor antagonist losartan (Sharma & Yium), 552
BIPOLAR DISORDER
bipolar illness (El-Mallakh), 775
dystonia associated with crack cocaine use (Catalano et al), 1050
BIRTH WEIGHT
elective versus emergency cesarean hysterectomy on a teaching service—1981 to 1991 (Lu et al), 50
BLACKS
acquired immunodeficiency syndrome in Alabama: special concerns for black women (Holmes et al), 697
cancer incidence among predominantly black, rural-poor populations in Southern states (Weiss et al), 986
depressive symptoms as correlates of polydrug use for blacks in a high-risk community (Wang et al), 1123
is there an anatomic explanation for chest pain in patients with pulmonary sarcoidosis? (Highland et al), 911
prevalence of coronary heart disease risk factors among rural blacks: a community-based study (Willems et al), 814
prevalence of obesity with increased blood pressure in elementary school-aged children (Figueroa-Colon et al), 806

psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
tobacco smoking: a survey in a community with excess lung cancer (Sa et al), 601
BLADDER NEOPLASMS
increased incidence of non-transitional cell carcinoma of the bladder in women of the Texas Gulf Coast region (Orihuela et al), 801
BLADDER, NEUROGENIC
urologic experience in 48 heart transplant patients (Donaldson & Fuselier), 1084
BLASTOMYCOSIS
pulmonary blastomycosis with acute respiratory failure as predominant clinical feature (Mukkamala et al), 847
BLINDNESS
combined saphenous vein with free flap reconstruction in the treatment of carotid stenosis (Pappas et al), 1139
BLINKING
chlordane as a neurotoxin in humans (Kilburn), 299
exposure to reduced sulfur gases impairs neurobehavioral function (Kilburn), 997
BLOOD COAGULATION
delayed posttraumatic tamponade (letter, reply) (Izenberg), 568delayed posttraumatic tamponade (letter) (Spodick), 568
BLOOD FLOW VELOCITY
focal reexpansion pulmonary edema after drainage of large pleural effusions: clinical evidence suggesting hypoxic injury to the lung as the cause of edema (Woodring), 1176
BLOOD GAS ANALYSIS
methemoglobinemia caused by benzocaine topical spray (Cooper), 946
BLOOD GLUCOSE
blood glucose determination: point of care testing (Bennett), 678
implications of the Diabetes Control and Complications Trial for persons with non–insulin-dependent diabetes mellitus (Vinik & Richardson), 268
BLOOD LOSS, SURGICAL
elective versus emergency cesarean hysterectomy on a teaching service—1981 to 1991 (Lu et al), 50
perioperative transfusion, postoperative infection, and recurrence of head and neck cancer (Sturgis et al), 1217
BLOOD PRESSURE
prevalence of coronary heart disease risk factors among rural blacks: a community-based study (Willems et al), 814
prevalence of obesity with increased blood pressure in elementary school-aged children (Figueroa-Colon et al), 806
BLOOD PRESSURE DETERMINATION
delayed posttraumatic tamponade (letter, reply) (Izenberg), 568
delayed posttraumatic tamponade (letter) (Spodick), 568
factors influencing the accuracy of home blood pressure measurement (Merrick et al), 1110
unexpected opportunities: incidental findings detected during impairment evaluations for coal workers' pneumoconiosis (Prince & Frank), 413
BLOOD PRESSURE MONITORS
factors influencing the accuracy of home blood pressure measurement (Merrick et al), 1110
BLOOD TRANSFUSION
alveolar hemorrhage in IgA nephropathy treated with plasmapheresis (Afessa et al), 237
brodifacoum rodenticide ingestion in a patient with shigellosis (Stanziale et al), 833
chronic hepatitis C (Sharara), 872
elective versus emergency cesarean hysterectomy on a teaching service—1981 to 1991 (Lu et al), 50
isolated colonic neurofibroma manifested by massive lower gastrointestinal bleeding and intussusception (Abramson et al), 952
Lemierre's syndrome (Lee et al), 640
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
surreptitious superwarfarin poisoning with brodifacoum (Tecimer & Yam), 1053
Wilson's disease (Baban et al), 535
BLOOD VESSEL PROSTHESIS
the addition of antibiotics to fibrin glue (Thompson & Davis), 681
BODY HEIGHT
prevalence of obesity with increased blood pressure in elementary school-aged children (Figueroa-Colon et al), 806
BODY IMAGE
roles of mental health professionals in multidisciplinary medically supervised treatment programs for obesity (Hunter et al), 578
BODY MASS INDEX
effects of cardiac rehabilitation and exercise programs on exercise capacity, coronary risk factors, behavior, and quality of life in patients with coronary artery disease (Maines et al), 43
prevalence of coronary heart disease risk factors among rural blacks: a community-based study (Willems et al), 814
BODY WEIGHT
prevalence of obesity with increased blood pressure in elementary school-aged children (Figueroa-Colon et al), 806
BONE DEVELOPMENT
vitamin D levels in children with cystic fibrosis (Henderson & Lester), 378
BONE DISEASES
Eagle's syndrome (elongated styloid process) (Balbunea et al), 331
BONE DISEASES, DEVELOPMENTAL
recurrence of spondylothoracic dysplasia (Jarcho-Levin syndrome) in a family (Bautista et al), 1234
BONE MARROW
pseudo-Gaucher's cells in association with common acute lymphoblastic leukemia (Knox-Macaulay et al), 69
BONE MARROW EXAMINATION
rapid progression of acquired amegakaryocytic thrombocytopenia to aplastic anemia (King et al), 91
BONE NAILS
Ender nails: an alternative for intramedullary fixation of femoral shaft fractures in children and adolescents (McGraw & Gregory), 694
ipsilateral femoral neck and shaft fractures (Koldenhoven et al), 288
BONE NEOPLASMS
primary angiosarcoma of the rib (Batt & Sasken), 454
prostate cancer metastatic only to the penis (Celebi et al), 959
resistance to gonadotropin-relasing hormone agonist in a patient with metastatic prostate cancer (letter) (Krongrad et al), 460
systemic radionuclide therapy with strontium chloride

Sr 89 for painful skeletal metastases in prostate and breast cancer (Patel & Flowers), 506
BONE SCREWS
ipsilateral femoral neck and shaft fractures (Koldenhoven et al), 288
BORDERLINE PERSONALITY DISORDER
surreptitious superwarfarin poisoning with brodifacoum (Tecimer & Yam), 1053
BOTFLY. see DIPTERA
BOTULINUM TOXIN, TYPE A
tongue protrusion dystonia: treatment with botulinum toxin (Charles et al), 522
BOWEL PREPARATION. see IRRIGATION
BRADYCARDIA

BRODIFACOUM. see WARFARIN
BRONCHIAL HYPERREACTIVITY
reactive airways dysfunction syndrome: occurrence after exposure to a refractory ceramic fiber-phosphoric acid binder mixture (Forrester), 447
BRONCHIAL SPASM
potential for tolerance, morbidity, and mortality resulting from regular use of β_2-adrenergic agonists in asthma (Giangrasso), 173
BRONCHIOLITIS OBLITERANS ORGANIZING PNEUMONIA
bronchiolitis obliterans organizing pneumonia as the first manifestation of polymyositis (Fata et al), 227
BRONCHITIS
shifting percussion dullness of the chest: a sign of pleural effusion (Gilbert), 1255
BRONCHOALVEOLAR LAVAGE FLUID
CD8+ lymphocytic pneumonitis in a patient receiving cyproterone acetate (Similowski et al), 1048
Stevens-Johnson syndrome and respiratory failure in a 9-year-old boy (Schamberger et al), 755
survival benefits of pulmonary cellular activation in AIDS patients with *Pneumocystis* infection (Sharma et al), 531
thoracic actinomycosis and human immunodeficiency virus infection (Ossorio et al), 1136
BRONCHODILATOR AGENTS
potential for tolerance, morbidity, and mortality resulting from regular use of β_2-adrenergic agonists in asthma (Giangrasso), 173
BRONCHOSCOPY
sarcoidosis associated with recurrent pancreatitis (Limaye et al), 431
Stevens-Johnson syndrome and respiratory failure in a 9-year-old boy (Schamberger et al), 755
thoracic actinomycosis and human immunodeficiency virus infection (Ossorio et al), 1136
BRONCHOSPASM
reactive airways dysfunction syndrome: occurrence after exposure to a refractory ceramic fiber-phosphoric acid binder mixture (Forrester), 447
BRUCELLOSIS
intermittent fever and pancytopenia in a young Mexican man (Schussler et al), 1037
BURNS
hazards associated with metalworking by artists (Weiss & Lesser), 665

BURSITIS
anserine bursitis: a brief review (Handy), 376
BUTALBITOL
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
BUTORPHANOL
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878

C

CA-19-9 ANTIGEN
elevated tumor-associated antigen CA19-9 in a patient with an enlarged pancreas: does it always imply malignancy? (Tolliver & O'Brien), 89
CADMIUM
hazards associated with metalworking by artists (Weiss & Lesser), 665CAFFEINE
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
CALCIDIOL
vitamin D levels in children with cystic fibrosis (Henderson & Lester), 378
CALCINOSIS
clinical, radiographic, and pathologic features of medial calcific sclerosis in the breast (Kragel et al), 518
Eagle's syndrome (elongated styloid process) (Balbunea et al), 331
CALCITROL
vitamin D levels in children with cystic fibrosis (Henderson & Lester), 378
CALCIUM
hyperphosphatemia associated with phosphorus-containing laxatives in a patient with chronic renal insufficiency (Escalante et al), 240
CAMPATH-1H
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
CAMPHOR
Campho-Phenique ingestion: an intentional overdose (Lahoud et al), 647
CAMPING
illnesses and injuries at summer camp (Key), 489
CANDIDIASIS
neonatal *Torulopsis glabrata* fungemia (Reich et al), 246
CAPILLARY LEAK SYNDROME
encephalopathy due to capillary leak syndrome (Bertorini et al), 1060
CAPILLARY PERMEABILITY
focal reexpansion pulmonary edema after drainage of large pleural effusions: clinical evidence suggesting hypoxic injury to the lung as the cause of edema (Woodring), 1176
CAPSAICIN
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
CARBAMAZEPINE
bipolar illness (El-Mallakh), 775
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
pharmacologic and dietary therapies in epilepsy: conventional treatments and recent advances (Chapman & Giles), 471
CARBIDOPA
parkinsonian syndrome in a dialysis-supported patient receiving high-dose chemotherapy for multiple myeloma (letter) (Fleming & Mangino), 364
CARBON MONOXIDE POISONING
hazards associated with metalworking by artists (Weiss & Lesser), 665
CARBOPLATIN
granuloma annulare associated with malignancy (Cohen), 1056
CARCINOID TUMOR
an unusual cause of cyanosis in a patient with a carcinoid tumor (Rodriguez-Cintron et al), 1029
CARCINOMA
management of the adnexal mass in the 1990s (Gallup & Talledo), 972
perineal hernia repair using gracilis myocutaneous flap (Hansen et al), 75
CARCINOMA, BASAL CELL
beachfront screening for skin cancer in Texas Gulf Coast surfers (Dozier et al), 55
CARCINOMA, EMBRYONAL
management of the adnexal mass in the 1990s (Gallup & Talledo), 972
CARCINOMA, ENDOMETRIOID
stage I ovarian carcinoma: specialty-related differences in survival and management (Puls et al), 1097
CARCINOMA, HEPATOCELLULAR
chronic hepatitis C (Sharara), 872
CARCINOMA, INFILTRATING DUCT
asynchronous bilateral medullary carcinoma of the breast (Young et al), 423
clinical, radiographic, and pathologic features of medial calcific sclerosis in the breast (Kragel et al), 518
coexistence of granular cell tumor and ipsilateral infiltrating ductal carcinoma of the breast (Tran et al), 1149
primary breast cancer in aberrant breast tissue in the axilla (Yerra et al), 661
CARCINOMA, MEDULLARY
asynchronous bilateral medullary carcinoma of the breast (Young et al), 423
CARCINOMA, MUCOEPIDERMOID
Warthin's tumor and cigarette smoking (Vories & Ramirez), 416
CARCINOMA, NON–SMALL-CELL LUNG
breast metastasis from non-small cell lung cancer (Sadikot et al), 1063
CARCINOMA, PAPILLARY
occult thyroid carcinoma manifested as a cystic neck mass (North), 1027
presentation and management of a thyroglossal duct cyst with a papillary carcinoma (Walton & Koch), 758
significance of nondiagnostic fine-needle aspiration of the thyroid (Schmidt et al), 1183
CARCINOMA, RENAL CELL
nephron-sparing surgery compared with radical nephrectomy for renal tumors: current indications and results (Indudhara et al), 982
CARCINOMA, SIGNET RING CELL
gastric adenocarcinoma and low-grade B-cell lymphoma of mucosa-associated lymphoid tissue (Hardman et al), 426
CARCINOMA, SQUAMOUS CELL
characteristics of patients with rapidly growing cervical cancer (Gallup et al), 611
increased incidence of non-transitional cell carcinoma of the bladder in women of the Texas Gulf Coast region (Orihuela et al), 801
perioperative transfusion, postoperative infection, and

recurrence of head and neck cancer (Sturgis et al), 1217
squamous cell carcinoma arising in an unhealed wound in Crohn's disease (Sarani & Orkin), 940
CARCINOMA, TRANSITIONAL CELL
increased incidence of non-transitional cell carcinoma of the bladder in women of the Texas Gulf Coast region (Orihuela et al), 801
large transitional cell carcinoma of the proximal third of the ureter in a young man (Ward et al), 855
CARDIAC TAMPONADE
cardiac rupture due to blunt trauma (Tassiopoulos et al), 740
delayed posttraumatic tamponade (letter, reply) (Izenberg), 568
delayed posttraumatic tamponade (letter) (Spodick), 568
CARDIOMYOPATHY, CONGESTIVE
biventricular assist device as a bridge to cardiac transplantation in the treatment of peripartum cardiomyopathy (Lewis et al), 955
CARDIOPULMONARY RESUSCITATION
fatal iron intoxication in an infant (Morse et al), 1043
setting limits and long-term care of the frail elderly (ed.) (Nusbaum), 256
CARDIOVASCULAR DISEASES
implications of the Diabetes Control and Complications Trial for persons with non–insulin-dependent diabetes mellitus (Vinik & Richardson), 268
CAREGIVERS
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
CAROTID ARTERIES
bilateral persistent trigeminal arteries associated with cerebral aneurysms and aortic arch vessel anomaly (Alleyne et al), 434
CAROTID ARTERY DISEASES
safety of carotid endarterectomy associated with small intracranial aneurysms (Kann et al), 1213
CAROTID STENOSIS
combined saphenous vein with free flap reconstruction in the treatment of carotid stenosis (Pappas et al), 1139
safety of carotid endarterectomy associated with small intracranial aneurysms (Kann et al), 1213
CARRIER STATE
hepatitis B: diagnosis and treatment (Davis), 866
CASE MANAGEMENT
roles of mental health professionals in multidisciplinary medically supervised treatment programs for obesity (Hunter et al), 578
CASE REPORT
the culture of morning report: ethnography of a clinical teaching conference (Hill et al), 594
CASEINS
role of hydrolyzed formulas in nutritional allergy prevention in infants (Blecker), 1170
CATHARTICS
hyperphosphatemia associated with phosphorus-containing laxatives in a patient with chronic renal insufficiency (Escalante et al), 240
CATHETERIZATION, CENTRAL VENOUS
efficacy of a central venous access service (Walters et al), 37
CATHETERIZATION, PERIPHERAL
ultrasound-guided compression for the treatment of iatrogenic femoral pseudoaneurysms (Weatherford et al), 223
CATHETERS, INDWELLING
efficacy of a central venous access service (Walters et al), 37
neonatal *Torulopsis glabrata* fungemia (Reich et al), 246
CAUSE OF DEATH
characteristics of patients with rapidly growing cervical cancer (Gallup et al), 611
hypertension-related mortality and morbidity in the Southeast (Lackland & Moore), 191
implications of the Diabetes Control and Complications Trial for persons with non–insulin-dependent diabetes mellitus (Vinik & Richardson), 268
intracranial saccular (berry) aneurysm: a brief overview (Minyard & Parker), 672
roles of mental health professionals in multidisciplinary medically supervised treatment programs for obesity (Hunter et al), 578
CD4 LYMPHOCYTE COUNT
cervical intraepithelial neoplasia in HIV-infected women in a southeastern US population (Drapkin et al), 3
CD8 POSITIVE T-LYMPHOCYTES
CD8+ lymphocytic pneumonitis in a patient receiving cyproterone acetate (Similowski et al), 1048
CD4-CD8 RATIOS
survival benefits of pulmonary cellular activation in AIDS patients with *Pneumocystis* infection (Sharma et al), 531
CECAL DISEASES
acute colonic pseudo-obstruction complicated by cecal perforation in a patient with Parkinson's disease (Marinella), 1023
nonfatal gastric mucormycosis in a renal transplant recipient (Martinez et al), 341
CECAL NEOPLASMS
dermatomyositis in association with rubulovillous adenoma: resolution after resection of adenoma (Badr et al), 321
perforated cecal adenocarcinoma presenting as a thigh abscess (Mann et al), 949
CEFACLOR
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
CEFAZOLIN
acute pansinusitis with bacteremia due to a beta-hemolytic group C streptococcus: *Streptococcus milleri* (El-Guizaoui & Watanakunakorn), 1248
ceftriaxone versus cefazolin in peripheral arterial operations: a randomized, prospective trial (Ross et al), 16
CEFIXIME
cefixime: an oral option for the treatment of multidrug-resistant enteric fever in children (Memon et al), 1204
CEFOTAXIME
the addition of antibiotics to fibrin glue (Thompson & Davis), 681
Vibrio fluvialis: an underrecognized enteric pathogen in infants? (Kolb et al), 544
CEFOTETAN
outpatient bowel preparation for elective colon resection (Le et al), 526

CEFOXITIN
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
CEFPROZIL
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
CEFTAZIDIME
atracurium and persistent paralysis (letter, reply) (Seelig & Rubio), 95CEFTRIAXONE
ceftriaxone versus cefazolin in peripheral arterial operations: a randomized, prospective trial (Ross et al), 16
Lemierre's syndrome (Lee et al), 640
pneumococcal sacroiliitis (Pinson et al), 649
CEFUROXIME
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
CELL TRANSFORMATION, NEOPLASTIC
squamous cell carcinoma arising in an unhealed wound in Crohn's disease (Sarani & Orkin), 940
CELL TRANSPLANTATION
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
CELLULITIS
cellulitis and myositis caused by *Agrobacterium radiobacter* and *Haemophilus parainfluenzae* after influenza virus vaccination (Owensby et al), 752
fatal rhino-orbital-cerebral zygomycosis (Kameh et al), 1133
multicenter, randomized study comparing levofloxacin and ciprofloxacin for uncomplicated skin and skin structure infections (Nichols et al), 1193
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
CENTRAL NERVOUS SYSTEM NEOPLASMS
bilateral non-Hodgkin's lymphoma of the breast mimicking mastitis (Dawn & Perry), 328
CEPHALEXIN
acute pansinusitis with bacteremia due to a beta-hemolytic group C streptococcus: *Streptococcus milleri* (El-Guizaoui & Watanakunakorn), 1248
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
human infestation with rodent botfly larvae: a new route of entry? (Goddard), 254
CEPHALOSPORINS
cefixime: an oral option for the treatment of multidrug-resistant enteric fever in children (Memon et al), 1204
ceftriaxone versus cefazolin in peripheral arterial operations: a randomized, prospective trial (Ross et al), 16
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
community-acquired pneumonia in the elderly: association of mortality with lack of fever and leukocytosis (Ahkee et al), 296
Erysipelothrix rhusiopathiae endocarditis: clinical features of an occupational disease (Hill & Ghassemian), 1147
esophageal 'stars': a sinister foreign body ingestion (Vassilev et al), 211
pneumococcal sacroiliitis (Pinson et al), 649
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
CEPHAMYCINS
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
CERAMICS
reactive airways dysfunction syndrome: occurrence after exposure to a refractory ceramic fiber-phosphoric acid binder mixture (Forrester), 447
CEREBELLAR NEOPLASMS
proposed algorithm to aid the diagnosis of cerebellopontine angle tumors (Astor et al), 514
CEREBELLOPONTINE ANGLE
proposed algorithm to aid the diagnosis of cerebellopontine angle tumors (Astor et al), 514
CEREBRAL ANEURYSM
bilateral persistent trigeminal arteries associated with cerebral aneurysms and aortic arch vessel anomaly (Alleyne et al), 434
intracranial saccular (berry) aneurysm: a brief overview (Minyard & Parker), 672
safety of carotid endarterectomy associated with small intracranial aneurysms (Kann et al), 1213
CEREBRAL ANGIOGRAPHY
bilateral persistent trigeminal arteries associated with cerebral aneurysms and aortic arch vessel anomaly (Alleyne et al), 434
radionuclide angiography as a confirmatory test for brain death: a review of 229 studies in 219 patients (Flowers & Patel), 1091
safety of carotid endarterectomy associated with small intracranial aneurysms (Kann et al), 1213
CEREBRAL ARTERIOVENOUS MALFORMATIONS
bilateral persistent trigeminal arteries associated with cerebral aneurysms and aortic arch vessel anomaly (Alleyne et al), 434
CEREBRAL HEMORRHAGE
intracranial hemorrhage complicating acute myocardial infarction in the era of thrombolytic therapy (Conrad et al), 5
CEREBRAL INFARCTION
fatal rhino-orbital-cerebral zygomycosis (Kameh et al), 1133
CEREBRAL ISCHEMIA
safety of carotid endarterectomy associated with small intracranial aneurysms (Kann et al), 1213
CEREBRAL ISCHEMIA, TRANSIENT
intracranial saccular (berry) aneurysm: a brief overview (Minyard & Parker), 672
CEREBRAL PALSY
vitamin D levels in children with cystic fibrosis (Henderson & Lester), 378
CEREBROSPINAL FLUID SHUNTS
symptomatic pleural collection of cerebrospinal fluid caused by a ventriculopleural shunt (Sanders et al), 345
CEREBROVASCULAR CIRCULATION
radionuclide angiography as a confirmatory test for brain death: a review of 229 studies in 219 patients (Flowers & Patel), 1091
CEREBROVASCULAR DISORDERS
hypertension-related mortality and morbidity in the Southeast (Lackland & Moore), 191
intracranial hemorrhage complicating acute myocardial infarction in the era of thrombolytic therapy (Conrad et al), 5
neurologic and neuropsychiatric complications of Crohn's disease (Elsehety & Vertorini), 606

safety of carotid endarterectomy associated with small intracranial aneurysms (Kann et al), 1213
stroke and malpractice claims (Fink & Chaudhuri), 901
unexpected opportunities: incidental findings detected during impairment evaluations for coal workers' pneumoconiosis (Prince & Frank), 413
CERULOPLASMIN
Wilson's disease (Baban et al), 535
CERVICAL INTRAEPITHELIAL NEOPLASIA
cervical intraepithelial neoplasia in HIV-infected women in a southeastern US population (Drapkin et al), 893
CERVICAL VERTEBRAE
posttraumatic cervical osteophytosis causing progressive dysphagia (McGarrah & Teller), 858
CERVIX DYSPLASIA
cervical intraepithelial neoplasia in HIV-infected women in a southeastern US population (Drapkin et al), 893
CERVIX NEOPLASMS
cancer incidence among predominantly black, rural-poor populations in Southern states (Weiss et al), 986
cancer screening in women by internal medicine resident physicians (Borum), 1101
cervical and breast cancer screening rates in Sioux Indian women (Mahmoodian), 316
cervical intraepithelial neoplasia in HIV-infected women in a southeastern US population (Drapkin et al), 893
characteristics of patients with rapidly growing cervical cancer (Gallup et al), 611
granuloma annulare associated with malignancy (Cohen), 1056
CERVIX UTERI
premature rupture of membranes at term with an unfavorable cervix: comparison of expectant management, vaginal prostaglandin, and oxytocin induction (McCaul et al), 1229
CESAREAN SECTION
elective versus emergency cesarean hysterectomy on a teaching service—1981 to 1991 (Lu et al), 50
modern analysis of pathologic uterine rings (Turrentine & Andres), 40
premature rupture of membranes at term with an unfavorable cervix: comparison of expectant management, vaginal prostaglandin, and oxytocin induction (McCaul et al), 1229
CHELATION THERAPY
fatal iron intoxication in an infant (Morse et al), 1043
CHEMOTHERAPY, ADJUVANT
asynchronous bilateral medullary carcinoma of the breast (Young et al), 423
Hodgkin's disease associated with neurologic paraneoplastic syndrome (Vickers & Niederhuber), 839
perforated cecal adenocarcinoma presenting as a thigh abscess (Mann et al), 949
surgical treatment of gastrointestinal B-cell mucosa-associated lymphoid tissue lymphomas (Papachristodoulou et al), 723
CHEST PAIN
is there an anatomic explanation for chest pain in patients with pulmonary sarcoidosis? (Highland et al), 911
CHEST TUBES
air bags alone compared with combination of mechanical restraints and air bags: implications for the emergency evaluation of crash victims (Sutyak et al), 915
focal reexpansion pulmonary edema after drainage of large pleural effusions: clinical evidence suggesting hypoxic injury to the lung as the cause of edema (Woodring), 1176
tension hydrothorax (Yaylali et al), 1156
CHICKENPOX
sudden death due to disseminated cryptococcosis in a child with leukemia in remission (Lascari et al), 1253
CHILD ABUSE, SEXUAL
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
CHILD HEALTH SERVICES
home health care: pediatric education in the community (Greenberg), 390
CHLORAMPHENICOL
cefixime: an oral option for the treatment of multidrug-resistant enteric fever in children (Memon et al), 1204
CHLORDANE
chlordane as a neurotoxin in humans (Kilburn), 299
CHLORDIAZEPOXIDE
problems in assessment of acute melatonin overdose (Holliman & Chyka), 451
2-CHLORODEOXYADENOSINE. see CLADRIBINE
CHOLANGIOGRAPHY
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
CHOLANGIOPANCREATOGRAPHY, ENDOSCOPIC RETROGRADE
elevated tumor-associated antigen CA19-9 in a patient with an enlarged pancreas: does it always imply malignancy? (Tolliver & O'Brien), 89
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
CHOLANGITIS
elevated tumor-associated antigen CA19-9 in a patient with an enlarged pancreas: does it always imply malignancy? (Tolliver & O'Brien), 89
CHOLECYSTECTOMY
cholecystectomy alleviates acalculous biliary pain in patients with a reduced gallbladder ejection fraction (Khosla et al), 1087
en bloc pancreaticoduodenectomy and colectomy for duodenal neoplasms (Edwards et al), 733
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
management of gallbladder polyps (Mangel), 481
CHOLESTASIS
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
systemic ehrlichiosis presenting as progressive hepatosplenomegaly (Friedman et al), 656
CHOLESTEROL
effects of cardiac rehabilitation and exercise programs on exercise capacity, coronary risk factors, behavior, and quality of life in patients with coronary artery disease (Maines et al), 43
CHOLINESTERASE INHIBITORS
sarin poisoning in Tokyo subway (Ohbu et al), 586
CHORIOCARCINOMA
management of the adnexal mass in the 1990s (Gallup & Talledo), 972

CHORISTOMA
primary breast cancer in aberrant breast tissue in the axilla (Yerra et al), 661
CHROMIUM
hazards associated with metalworking by artists (Weiss & Lesser), 665
CHYLOTHORAX
esophageal atresia in an in vitro fertilization pregnancy (Whitman-Elia et al), 86
CIMETADINE
Helicobacter pylori-associated gastroduodenal disease in childhood (Blecker), 570
CIPROFLOXACIN
atracurium and persistent paralysis (letter, reply) (Seelig & Rubio), 95
cefixime: an oral option for the treatment of multidrug-resistant enteric fever in children (Memon et al), 1204
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
multicenter, randomized study comparing levofloxacin and ciprofloxacin for uncomplicated skin and skin structure infections (Nichols et al), 1193
Vibrio vulnifius infection: an important cause of septicemia in patients with cirrhosis (Vollberg & Herrera), 1040
CISATRACURIUM
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
CLADRIBINE
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
CLARITHROMYCIN
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
CLAVULANATE
cellulitis and myositis caused by *Agrobacterium radiobacter* and *Haemophilus parainfluenzae* after influenza virus vaccination (Owensby et al), 752
CLINDAMYCIN
atracurium and persistent paralysis (letter) (Marinella), 95
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
Erysipelothrix rhusiopathiae endocarditis: clinical features of an occupational disease (Hill & Ghassemian), 1147
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
CLINICAL CLERKSHIP
home health care: pediatric education in the community (Greenberg), 390
CLINICAL COMPETENCE
appendectomy (letter) (Perone), 263
appendectomy (letter, reply) (Fenoglio), 263
bedside teaching (Kroenke et al), 1069
CLINICAL CONFERENCE
the culture of morning report: ethnography of a clinical teaching conference (Hill et al), 594
CLINICAL MEDICINE
bedside teaching (Kroenke et al), 1069
CLONIDINE
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965
CLOSTRIDIUM INFECTIONS
ascites associated with antibiotic-associated pseudomembranous colitis (letter) (Parikh & Edlund), 460
ascites associated with antibiotic-associated pseudomembranous colitis (letter, reply) (Marshall), 460
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
CLOZEPINE
sertindole hydrochloride: a novel antipsychotic medication with a favorable side effect profile (Brown & Radford), 691
CLUSTER HEADACHE
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
COAL MINING
unexpected opportunities: incidental findings detected during impairment evaluations for coal workers' pneumoconiosis (Prince & Frank), 413
COCAINE
depressive symptoms as correlates of polydrug use for blacks in a high-risk community (Wang et al), 1123
COGNITION DISORDERS
chlordane as a neurotoxin in humans (Kilburn), 299
exposure to reduced sulfur gases impairs neurobehavioral function (Kilburn), 997
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
COIN LESION, PULMONARY
unexpected opportunities: incidental findings detected during impairment evaluations for coal workers' pneumoconiosis (Prince & Frank), 413
COLECTOMY
colonic metastasis from a primary renal leiomyosarcoma: an unusual cause of gastrointestinal hemorrhage (Buchman & Truong), 1238
dermatomyositis in association with rubulovillous adenoma: resolution after resection of adenoma (Badr et al), 321
en bloc pancreaticoduodenectomy and colectomy for duodenal neoplasms (Edwards et al), 733
isolated colonic neurofibroma manifested by massive lower gastrointestinal bleeding and intussusception (Abramson et al), 952
outpatient bowel preparation for elective colon resection (Le et al), 526
COLIC
cholecystectomy alleviates acalculous biliary pain in patients with a reduced gallbladder ejection fraction (Khosla et al), 1087
COLITIS, ULCERATIVE
airway obstruction in ulcerative colitis (Cross & Scudder), 248
COLLAGEN
role of hydrolyzed formulas in nutritional allergy prevention in infants (Blecker), 1170
COLONIC DISEASES
an unusual complication of diabetes mellitus: the zebra that became a horse (Nicol & Davis), 83
comparison of three perineal procedures for the treatment of rectal prolapse (Agachan et al), 925

nonfatal gastric mucormycosis in a renal transplant recipient (Martinez et al), 341
outpatient bowel preparation for elective colon resection (Le et al), 526
sequential herniation of stomach, then colon through the aortic hiatus (Wagner et al), 338
COLONIC NEOPLASMS
cancer incidence among predominantly black, rural-poor populations in Southern states (Weiss et al), 986
colonic metastasis from a primary renal leiomyosarcoma: an unusual cause of gastrointestinal hemorrhage (Buchman & Truong), 1238
dermatomyositis in association with rubulovillous adenoma: resolution after resection of adenoma (Badr et al), 321
en bloc pancreaticoduodenectomy and colectomy for duodenal neoplasms (Edwards et al), 733
isolated colonic neurofibroma manifested by massive lower gastrointestinal bleeding and intussusception (Abramson et al), 952
COLONIC POLYPS
isolated colonic neurofibroma manifested by massive lower gastrointestinal bleeding and intussusception (Abramson et al), 952
COLONIC PSEUDO-OBSTRUCTION
acute colonic pseudo-obstruction complicated by cecal perforation in a patient with Parkinson's disease (Marinella), 1023
COLONOSCOPY
acute colonic pseudo-obstruction complicated by cecal perforation in a patient with Parkinson's disease (Marinella), 1023
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
colonic metastasis from a primary renal leiomyosarcoma: an unusual cause of gastrointestinal hemorrhage (Buchman & Truong), 1238
conscious sedation with high-dose midazolam for pediatric gastrointestinal endoscopy (Gremse et al), 821
dermatomyositis in association with rubulovillous adenoma: resolution after resection of adenoma (Badr et al), 321
hyperphosphatemia associated with phosphorus-containing laxatives in a patient with chronic renal insufficiency (Escalante et al), 240
metastatic Crohn's disease (Sangüeza et al), 897
COLOR VISION DEFECTS
chlordane as a neurotoxin in humans (Kilburn), 299
COLORADO TICK FEVER
respiratory manifestations of tick-borne diseases in the Southeastern United States (Byrd et al), 1
COLORECTAL NEOPLASMS
cancer screening in women by internal medicine resident physicians (Borum), 1101
perforated cecal adenocarcinoma presenting as a thigh abscess (Mann et al), 949
COMMON BILE DUCT CALCULI
elevated tumor-associated antigen CA19-9 in a patient with an enlarged pancreas: does it always imply malignancy? (Tolliver & O'Brien), 89
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
COMMUNICABLE DISEASES
illnesses and injuries at summer camp (Key), 489
COMMUNICATION
peer discussion on training physicians to be competent communicators: support for a multiple discourse approach (Parrott et al), 709
stroke and malpractice claims (Fink & Chaudhuri), 901
COMMUNITY-ACQUIRED INFECTIONS
acute colonic pseudo-obstruction complicated by cecal perforation in a patient with Parkinson's disease (Marinella), 1023
community-acquired pneumonia in the elderly: association of mortality with lack of fever and leukocytosis (Ahkee et al), 296
community-acquired pneumonia in the elderly (letter) (Byrd & Roy), 863
community-acquired pneumonia in the elderly (letter, reply) (Ramirez), 863

COMPARATIVE STUDY
multicenter, randomized study comparing levofloxacin and ciprofloxacin for uncomplicated skin and skin structure infections (Nichols et al), 1193
premature rupture of membranes at term with an unfavorable cervix: comparison of expectant management, vaginal prostaglandin, and oxytocin induction (McCaul et al), 1229
pulmonary function tests: comparison of 95th percentile-based and conventional criteria of normality (Margolis et al), 1187
CONDOMS
ineffectiveness of latex condoms in preventing contamination of the transvaginal ultrasound transducer head (Storment et al), 206
CONFIDENTIALITY
bedside teaching (Kroenke et al), 1069
CONFUSION
use of emergency departments by the elderly in rural areas (Hamdy et al), 616
CONSCIOUS SEDATION
conscious sedation with high-dose midazolam for pediatric gastrointestinal endoscopy (Gremse et al), 821
CONSTRICTION, PATHOLOGIC
cervical esophageal web caused by an inlet patch of gastric mucosa (Waring & Wo), 554
CONSULTANTS
home health care: pediatric education in the community (Greenberg), 390
COOPERATIVE BEHAVIOR
physician education in hyperlipidemia management: the impact on collaboration (Czerwinski et al), 685
COPOLYMER 1
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
CORONARY ANGIOGRAPHY
acute myocardial infarction in patients who have had coronary artery bypass surgery (Shapira et al), 1129
ultrasound-guided compression for the treatment of iatrogenic femoral pseudoaneurysms (Weatherford et al), 223

HEALTH STATUS INDICATORS
can market-based solutions work for all of Medicare? barriers to reform in the Medicare population residing in health professional shortage areas (Kohrs), 493
HEARING LOSS, SENSORINEURAL
hemangioma of the temporal bone in a patient presumed to have Ménière's syndrome (Burton et al), 736
proposed algorithm to aid the diagnosis of cerebellopontine angle tumors (Astor et al), 514
HEART ARREST
sarin poisoning in Tokyo subway (Ohbu et al), 586
HEART ATRIUM
cardiac rupture due to blunt trauma (Tassiopoulos et al), 740
HEART CATHETERIZATION
acute myocardial infarction in patients who have had coronary artery bypass surgery (Shapira et al), 1129
ultrasound-guided compression for the treatment of iatrogenic femoral pseudoaneurysms (Weatherford et al), 223
HEART DISEASES
the deadly quartet—the insulin resistance syndrome (Opara & Levine), 1162
use of emergency departments by the elderly in rural areas (Hamdy et al), 616
HEART FAILURE, CONGESTIVE
angioedema associated with angiotensin II receptor antagonist losartan (Sharma & Yium), 552
community-acquired pneumonia in the elderly: association of mortality with lack of fever and leukocytosis (Ahkee et al), 296
primary cardiac lymphoma: initial symptoms suggestive of gastrointestinal disease (Nakachbandi & Day), 539
shifting percussion dullness of the chest: a sign of pleural effusion (Gilbert), 1255
unexpected opportunities: incidental findings detected during impairment evaluations for coal workers' pneumoconiosis (Prince & Frank), 413
HEART HYPERTROPHY
biventricular assist device as a bridge to cardiac transplantation in the treatment of peripartum cardiomyopathy (Lewis et al), 955
HEART NEOPLASMS
primary cardiac lymphoma: initial symptoms suggestive of gastrointestinal disease (Nakachbandi & Day), 539
HEART RUPTURE
cardiac rupture due to blunt trauma (Tassiopoulos et al), 740
HEART SEPTAL DEFECTS, ATRIAL
an unusual cause of cyanosis in a patient with a carcinoid tumor (Rodriguez-Cintron et al), 1029
HEART SEPTAL DEFECTS, VENTRICULAR
unilateral pulmonary agenesis without mediastinal displacement (Roque et al), 335
HEART SURGERY
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965
HEART TRANSPLANTATION
biventricular assist device as a bridge to cardiac transplantation in the treatment of peripartum cardiomyopathy (Lewis et al), 955
urologic experience in 48 heart transplant patients (Donaldson & Fuselier), 1084
HEART VALVE PROSTHESIS
an unusual cause of cyanosis in a patient with a carcinoid tumor (Rodriguez-Cintron et al), 1029
functional mitral stenosis resulting from a large mitral valve prosthesis vegetation (Citrin et al), 231
HEART-ASSIST DEVICES
biventricular assist device as a bridge to cardiac transplantation in the treatment of peripartum cardiomyopathy (Lewis et al), 955
HEAT STRESS DISORDERS
medical care for mass gatherings at collegiate football games (Shelton et al), 1081
HECHT'S SYNDROME
airway management in a patient with Hecht's syndrome (Lano & Werkhaven), 1241
HELICOBACTER INFECTIONS
clinical association of *Helicobacter pylori* gastritis in children (letter) (Eltumi et al), 461
clinical association of *Helicobacter pylori* gastritis in children (letter, reply) (Gremse & Sacks), 462
gastric adenocarcinoma and low-grade B-cell lymphoma of mucosa-associated lymphoid tissue (Hardman et al), 426
Helicobacter pylori-associated gastroduodenal disease in childhood (Blecker), 570
HEMANGIOMA
hemangioma of the temporal bone in a patient presumed to have Ménière's syndrome (Burton et al), 736
HEMANGIOSARCOMA
mesenteric tumor emboli manifested as recurrent abdominal pain (Duckworth et al), 419
primary angiosarcoma of the rib (Batt & Sasken), 454
renal angiosarcoma: a rare primary genitourinary malignancy (Mordkin et al), 1159
HEMATOMA
intracranial saccular (berry) aneurysm: a brief overview (Minyard & Parker), 672

HEMATOPOIESIS, EXTRAMEDULLARY
unexpected second trimester pregnancy loss due to maternal parvovirus B19 infection (Lowden & Weinstein), 702
HEMATOPOIETIC STEM CELLS
solitary fibrous tumors: a series of lesions, some in unusual sites (Khalifa et al), 793
HEMATURIA
large transitional cell carcinoma of the proximal third of the ureter in a young man (Ward et al), 855
surreptitious superwarfarin poisoning with brodifacoum (Tecimer & Yam), 1053
HEMOCHROMATOSIS
Wilson's disease (Baban et al), 535
HEMODIALYSIS
angioedema associated with angiotensin II receptor antagonist losartan (Sharma & Yium), 552
parkinsonian syndrome in a dialysis-supported patient receiving high-dose chemotherapy for multiple myeloma (letter) (Fleming & Mangino), 364
HEMODYNAMICS
biventricular assist device as a bridge to cardiac transplantation in the treatment of peripartum cardiomyopathy (Lewis et al), 955
conscious sedation with high-dose midazolam for pediatric gastrointestinal endoscopy (Gremse et al), 821
monoamine oxidase inhibitors and cardiac anesthesia revisited (Noorily et al), 836
tension hydrothorax (Yaylali et al), 1156
HEMOGLOBIN A, GLYCOSYLATED
prevalence of coronary heart disease risk factors among rural blacks: a community-based study (Willems et al), 814
HEMOPHILIA
psychiatric perspective of pediatric human immuno-deficiency virus infection (Stolar & Fernandez), 1007
HEMORRHAGE
alveolar hemorrhage in IgA nephropathy treated with plasmapheresis (Afessa et al), 237
fatal iron intoxication in an infant (Morse et al), 1043
HEPARIN
esophageal atresia in an in vitro fertilization pregnancy (Whitman-Elia et al), 86
intracranial hemorrhage complicating acute myocardial infarction in the era of thrombolytic therapy (Conrad et al), 5
Lemierre's syndrome (Lee et al), 640
primary subclavian vein thrombosis and pulmonary embolism (Roy et al), 748
HEPATECTOMY
successful resection of multifocal hepatic adenoma during pregnancy (Hill et al), 357
HEPATIC ARTERY
an unusual cause of cyanosis in a patient with a carcinoid tumor (Rodriguez-Cintron et al), 1029
HEPATITIS
medical therapy for inflammatory bowel disease (letter) (Gross), 567
HEPATITIS B
hepatitis B: diagnosis and treatment (Davis), 866

HOSPITALIZATION
the great imitator: Rocky Mountain spotted fever occurring after hospitalization for unrelated illnesses (Eloubeidi et al), 943
use of emergency departments by the elderly in rural areas (Hamdy et al), 616
HYDROCARBONS
hazards associated with metalworking by artists (Weiss & Lesser), 665
HYDROCEPHALUS
intracranial saccular (berry) aneurysm: a brief overview (Minyard & Parker), 672
symptomatic pleural collection of cerebrospinal fluid caused by a ventriculopleural shunt (Sanders et al), 345
HYDROGEN PEROXIDE
ineffectiveness of latex condoms in preventing contamination of the transvaginal ultrasound transducer head (Storment et al), 206
HYDROGEN SULFIDE
exposure to reduced sulfur gases impairs neurobehavioral function (Kilburn), 997
HYDROGEN-ION CONCENTRATION
twenty-four-hour ambulatory esophageal pH monitoring in the diagnosis of acid reflux-related chronic cough (Vaezi & Richter), 305
ventilator management of infants before extracorporeal membrane oxygenation (Edwards et al), 627
HYDROLYSIS
role of hydrolyzed formulas in nutritional allergy prevention in infants (Blecker), 1170
HYDROPS FETALIS
unexpected second trimester pregnancy loss due to maternal parvovirus B19 infection (Lowden & Weinstein), 702
HYDROTHORAX
tension hydrothorax (Yaylali et al), 1156
HYDROXYMETHYLGLUTARYL CoA REDUCTASES
rhabdomyolysis associated with simvastatin-gemfibrozil therapy (Tal et al), 546
25-HYDROXYVITAMIN D. see CALCIDIOL
HYPERALDOSTERONISM
pregnancy complicated by primary aldosteronism (Webb & Bayliss), 243

autoimmune progesterone dermatitis: onset in a woman without previous exogenous progesterone exposure (Moody & Schatten), 845
correlation of menstrual cycle at time of breast cancer surgery to disease-free and overall survival (Vanek et al), 780
MENTAL COMPETENCY
assessing testamentary capacity in elderly people (Regan & Gordon), 13
MENTAL DISORDERS
how to treat coexistent mental illness and substance abuse (Velasco et al), 180
mental disorders in children and adolescents with sickle cell disease (Cepeda et al), 284
neurologic and neuropsychiatric complications of Crohn's disease (Elsehety & Vertorini), 606
MENTAL HEALTH SERVICES
roles of mental health professionals in multidisciplinary medically supervised treatment programs for obesity (Hunter et al), 578
MEPERIDINE
conscious sedation with high-dose midazolam for pediatric gastrointestinal endoscopy (Gremse et al), 821
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
meperidine-induced generalized seizures with normal renal function (Marinella), 556
monoamine oxidase inhibitors and cardiac anesthesia revisited (Noorily et al), 836
6-MERCAPTOPURINE
medical therapy for inflammatory bowel disease (letter) (Gross), 567
medical therapy for inflammatory bowel disease (letter, reply) (Bonner), 568
MERCURY POISONING
elemental mercurial poisoning (Hohage et al), 1033
MESALAMINE
airway obstruction in ulcerative colitis (Cross & Scudder), 248
metastatic Crohn's disease (Sangüeza et al), 897
MESENTERIC VASCULAR OCCLUSION
an unusual complication of diabetes mellitus: the zebra that became a horse (Nicol & Davis), 83
MESENTERIC VEINS
an unusual complication of diabetes mellitus: the zebra that became a horse (Nicol & Davis), 83
mesenteric tumor emboli manifested as recurrent abdominal pain (Duckworth et al), 419
MESOTHELIOMA
mesothelioma: a study of 22 cases (King et al), 199
solitary fibrous tumors: a series of lesions, some in unusual sites (Khalifa et al), 793
METABOLIC CLEARANCE RATE
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
METALS
hazards associated with metalworking by artists (Weiss & Lesser), 665
METFORMIN
the deadly quartet—the insulin resistance syndrome (Opara & Levine), 1162
METHADONE
meperidine-induced generalized seizures with normal renal function (Marinella), 556
METHEMOGLOBINEMIA
methemoglobinemia caused by benzocaine topical spray (Cooper), 946
METHICILLIN RESISTANCE
multicenter, randomized study comparing levofloxacin and ciprofloxacin for uncomplicated skin and skin structure infections (Nichols et al), 1193
METHIMAZOLE
pediatric Graves' disease: therapeutic options and experience with radioiodine at the University of Mississippi Medical Center (Moll & Patel), 1017
METHIONINE
oxidative stress in diabetic macrovascular disease: does homocysteine play a role? (Fonseca et al), 903
METHOTREXATE
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
tongue involvement in a patient with granulomatous myositis (Khan et al), 937
METHYLDOPA
pregnancy complicated by primary aldosteronism (Webb & Bayliss), 243
METHYLENE BLUE
methemoglobinemia caused by benzocaine topical spray (Cooper), 946

METHYLPHENIDATE
enuresis in children with attention-deficit hyperactivity disorder (Robson et al), 503
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
METHYLPREDNISOLONE
alveolar hemorrhage in IgA nephropathy treated with plasmapheresis (Afessa et al), 237
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
Stevens-Johnson syndrome and respiratory failure in a 9-year-old boy (Schamberger et al), 755
METHYSERGIDE
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
METOCLOPRAMIDE
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
METRONIDAZOLE
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
delayed onset of pseudomembranous colitis after rifampin therapy (Byrd et al), 644
Helicobacter pylori-associated gastroduodenal disease in childhood (Blecker), 570
Lemierre's syndrome (Lee et al), 640
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
MEZLOCILLIN
the addition of antibiotics to fibrin glue (Thompson & Davis), 681
MICROBIAL SENSITIVITY TESTS
multicenter, randomized study comparing levofloxacin and ciprofloxacin for uncomplicated skin and skin structure infections (Nichols et al), 1193
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
MICROCALCIFICATION
clinical, radiographic, and pathologic features of medial calcific sclerosis in the breast (Kragel et al), 518
MICROCEPHALY
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
MICROGNATHISM
splenogonadal fusion with limb deficiency and micrognathia (Moore et al), 1152
MICROSCOPY, ELECTRON
appendiceal spirochetosis (Yang & Lapham), 30
MICROSCOPY, VIDEO
videoscopically assisted fascia lata harvest for the correction of recurrent ventral hernia (Tucker et al), 399
MICROSOMES
influence of age on optimal daily levothyroxine dosage in patients with primary hypothyroidism grouped according to etiology (Kabadi), 920
MIDAZOLAM
conscious sedation with high-dose midazolam for pediatric gastrointestinal endoscopy (Gremse et al), 821
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
monoamine oxidase inhibitors and cardiac anesthesia revisited (Noorily et al), 836
MILITARY PERSONNEL
passive smoking exposure on submarines (letter) (Cohen), 863
MILK HYPERSENSITIVITY
role of hydrolyzed formulas in nutritional allergy prevention in infants (Blecker), 1170
MINIMAL INHIBITORY CONCENTRATION. see MICROBIAL SENSITIVITY TESTS
MINORITIES
the deadly quartet—the insulin resistance syndrome (Opara & Levine), 1162
MIOSIS
sarin poisoning in Tokyo subway (Ohbu et al), 586
MISSISSIPPI
pediatric Graves' disease: therapeutic options and experience with radioiodine at the University of Mississippi Medical Center (Moll & Patel), 1017
MITRAL VALVE STENOSIS
functional mitral stenosis resulting from a large mitral valve prosthesis vegetation (Citrin et al), 231
MOLYBDENUM
hazards associated with metalworking by artists (Weiss & Lesser), 665
MONITORING, AMBULATORY
twenty-four-hour ambulatory esophageal pH monitoring in the diagnosis of acid reflux-related chronic cough (Vaezi & Richter), 305
MONITORING, PHYSIOLOGIC
conscious sedation with high-dose midazolam for pediatric gastrointestinal endoscopy (Gremse et al), 821
MONOAMINE OXIDASE INHIBITORS
monoamine oxidase inhibitors and cardiac anesthesia revisited (Noorily et al), 836
MONONEURITIS MULTIPLEX
Hodgkin's disease associated with neurologic paraneoplastic syndrome (Vickers & Niederhuber), 839
MOOD DISORDERS
chlordane as a neurotoxin in humans (Kilburn), 299
exposure to reduced sulfur gases impairs neurobehavioral function (Kilburn), 997
MORPHINE
cancer pain management and rectal opioids (letter) (Rousseau), 365
MORTALITY
cancer incidence among predominantly black, rural-poor populations in Southern states (Weiss et al), 986
cervical and breast cancer screening rates in Sioux Indian women (Mahmoodian), 316
community-acquired pneumonia in the elderly: association of mortality with lack of fever and leukocytosis (Ahkee et al), 296
community-acquired pneumonia in the elderly (letter) (Byrd & Roy), 863
community-acquired pneumonia in the elderly (letter, reply) (Ramirez), 863
hypertension-related mortality and morbidity in the Southeast (Lackland & Moore), 191
outcome in medical intensive care unit patients requiring abdominal surgery: prospective validation of a risk classification system (Kollef & Allen), 405
prevalence of coronary heart disease risk factors among rural blacks: a community-based study (Willems et al), 814

tobacco smoking: a survey in a community with excess lung cancer (Sa et al), 601
MOTOR NEURON DISEASE
tongue involvement in a patient with granulomatous myositis (Khan et al), 937
MOUTH NEOPLASMS
renal angiosarcoma: a rare primary genitourinary malignancy (Mordkin et al), 1159
MOVEMENT DISORDERS
dystonia associated with crack cocaine use (Catalano et al), 1050
MUCORMYCOSIS
fatal rhino-orbital-cerebral zygomycosis (Kameh et al), 1133
nonfatal gastric mucormycosis in a renal transplant recipient (Martinez et al), 341
MULTIPLE MYELOMA
angioedema associated with angiotensin II receptor antagonist losartan (Sharma & Yium), 552
myelomatous pleural effusion (Meoli et al), 65
parkinsonian syndrome in a dialysis-supported patient receiving high-dose chemotherapy for multiple myeloma (letter) (Fleming & Mangino), 364
MULTIPLE ORGAN FAILURE
outcome in medical intensive care unit patients requiring abdominal surgery: prospective validation of a risk classification system (Kollef & Allen), 405
MULTIPLE SCLEROSIS
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
MULTIPLE TRAUMA
ipsilateral femoral neck and shaft fractures (Koldenhoven et al), 288
MUSCLE NEOPLASMS
squamous cell carcinoma arising in an unhealed wound in Crohn's disease (Sarani & Orkin), 940
MUSCLE WEAKNESS
neurologic and neuropsychiatric complications of Crohn's disease (Elsehety & Vertorini), 606
rhabdomyolysis associated with simvastatin-gemfibrozil therapy (Tal et al), 546
sarin poisoning in Tokyo subway (Ohbu et al), 586
tongue involvement in a patient with granulomatous myositis (Khan et al), 937
MUSCULAR DISEASES
perforated cecal adenocarcinoma presenting as a thigh abscess (Mann et al), 949
rhabdomyolysis associated with simvastatin-gemfibrozil therapy (Tal et al), 546
MYALGIA
when exercise goes awry: exertional rhabdomyolysis (Hamer), 548
MYCOSES
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
MYELIN BASIC PROTEINS
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
MYIASIS
human infestation with rodent botfly larvae: a new route of entry? (Goddard), 254
MYOCARDIAL DISEASES
biventricular assist device as a bridge to cardiac transplantation in the treatment of peripartum cardiomyopathy (Lewis et al), 955
MYOCARDIAL INFARCTION
acute myocardial infarction in patients who have had coronary artery bypass surgery (Shapira et al), 1129
effects of cardiac rehabilitation and exercise programs on exercise capacity, coronary risk factors, behavior, and quality of life in patients with coronary artery disease (Maines et al), 43
implications of the Diabetes Control and Complications Trial for persons with non–insulin-dependent diabetes mellitus (Vinik & Richardson), 268
intracranial hemorrhage complicating acute myocardial infarction in the era of thrombolytic therapy (Conrad et al), 5
side effects of terazosin in the treatment of symptomatic benign prostatic hyperplasia (McKiernan & Lowe), 509
MYOCARDIAL ISCHEMIA
hypertension-related mortality and morbidity in the Southeast (Lackland & Moore), 191
influence of age on optimal daily levothyroxine dosage in patients with primary hypothyroidism grouped according to etiology (Kabadi), 920
MYOCARDIAL REPERFUSION
acute myocardial infarction in patients who have had coronary artery bypass surgery (Shapira et al), 1129
MYOGLOBINURIA
when exercise goes awry: exertional rhabdomyolysis (Hamer), 548
MYOSITIS
cellulitis and myositis caused by *Agrobacterium radiobacter* and *Haemophilus parainfluenzae* after influenza virus vaccination (Owensby et al), 752
tongue involvement in a patient with granulomatous myositis (Khan et al), 937

N

NAIL DISEASES
transverse leukonychia in patients receiving cancer chemotherapy (Chapman & Cohen), 395
NALOXONE
narcan therapy (letter) (Martin), 95
narcan therapy (letter, reply) (Alson et al), 96
respiratory depression in a child unintentionally exposed to transdermal fentanyl patch (Hardwick et al), 962
NAPROXEN
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
NATIONAL HEALTH PROGRAMS
the Dutch health care system (letter) (Ennis), 262
the Dutch health care system (letter, reply) (Jackson), 262
NAUSEA
duodenal obstruction in thyroid storm (Cansler et al), 1143
marijuana to prevent nausea and vomiting in cancer patients: a survey of clinical oncologists (Schwartz et al), 167
NECROSIS
an unusual complication of diabetes mellitus: the zebra that became a horse (Nicol & Davis), 83
NEEDLES
esophageal 'stars': a sinister foreign body ingestion (Vassilev et al), 211
NEOMYCIN
the addition of antibiotics to fibrin glue (Thompson & Davis), 681
outpatient bowel preparation for elective colon resection (Le et al), 526

NEOPLASM CIRCULATING CELLS
mesenteric tumor emboli manifested as recurrent abdominal pain (Duckworth et al), 419
NEOPLASM INVASIVENESS
characteristics of patients with rapidly growing cervical cancer (Gallup et al), 611
intravascular tumor: a previously unreported finding of glucagonoma (Geehan et al), 743
NEOPLASM METASTASIS
renal angiosarcoma: a rare primary genitourinary malignancy (Mordkin et al), 1159
breast metastasis from non-small cell lung cancer (Sadikot et al), 1063
coexistence of granular cell tumor and ipsilateral infiltrating ductal carcinoma of the breast (Tran et al), 1149
colonic metastasis from a primary renal leiomyosarcoma: an unusual cause of gastrointestinal hemorrhage (Buchman & Truong), 1238
granuloma annulare associated with malignancy (Cohen), 1056
intravascular tumor: a previously unreported finding of glucagonoma (Geehan et al), 743
isolated splenic metastases from colon cancer (Indudhara et al), 633
late recurrence of seminoma (Blanke et al), 653
mesothelioma: a study of 22 cases (King et al), 199
prostate cancer metastatic only to the penis (Celebi et al), 959
systemic radionuclide therapy with strontium chloride Sr 89 for painful skeletal metastases in prostate and breast cancer (Patel & Flowers), 506
NEOPLASM RECURRENCE, LOCAL
bilateral non-Hodgkin's lymphoma of the breast mimicking mastitis (Dawn & Perry), 328
late recurrence of seminoma (Blanke et al), 653
perioperative transfusion, postoperative infection, and recurrence of head and neck cancer (Sturgis et al), 1217
NEOPLASM STAGING
management of the adnexal mass in the 1990s (Gallup & Talledo), 972
perioperative transfusion, postoperative infection, and recurrence of head and neck cancer (Sturgis et al), 1217
stage I ovarian carcinoma: specialty-related differences in survival and management (Puls et al), 1097
surgical treatment of gastrointestinal B-cell mucosa-associated lymphoid tissue lymphomas (Papachristodoulou et al), 723
NEOPLASMS
cancer incidence among predominantly black, rural-poor populations in Southern states (Weiss et al), 986
cancer pain management and rectal opioids (letter, reply) (Conroy), 366
cancer pain management and rectal opioids (letter) (Rousseau), 365
transverse leukonychia in patients receiving cancer chemotherapy (Chapman & Cohen), 395
vitamin D levels in children with cystic fibrosis (Henderson & Lester), 378
NEOPLASMS, MULTIPLE PRIMARY
gastric adenocarcinoma and low-grade B-cell lymphoma of mucosa-associated lymphoid tissue (Hardman et al), 426
NEOPLASMS, RADIATION-INDUCED
radiodermatitis after transjugular intrahepatic portosystemic shunt (Knautz et al), 352
the value of preoperative mammograms in nononcologic breast surgery (Snodgrass et al), 402
NEOPLASMS, SECOND PRIMARY
coexistence of granular cell tumor and ipsilateral infiltrating ductal carcinoma of the breast (Tran et al), 1149
NEPHRECTOMY
colonic metastasis from a primary renal leiomyosarcoma: an unusual cause of gastrointestinal hemorrhage (Buchman & Truong), 1238
large transitional cell carcinoma of the proximal third of the ureter in a young man (Ward et al), 855
nephron-sparing surgery compared with radical nephrectomy for renal tumors: current indications and results (Indudhara et al), 982
NEPRILYSIN
pseudo-Gaucher's cells in association with common acute lymphoblastic leukemia (Knox-Macaulay et al), 69
NERVE BLOCK
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965
NERVE COMPRESSION SYNDROMES
drooping of the big toe: another diagnostic marker for L-5 radiculopathy (Madden & Lazaro), 209
NERVOUS SYSTEM DISEASES
elemental mercurial poisoning (Hohage et al), 1033
NETHERLANDS
the Dutch health care system (letter) (Ennis), 262
the Dutch health care system (letter, reply) (Jackson), 262
NEURAL CONDUCTION
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
Hodgkin's disease associated with neurologic paraneoplastic syndrome (Vickers & Niederhuber), 839
NEUROFIBROMA
isolated colonic neurofibroma manifested by massive lower gastrointestinal bleeding and intussusception (Abramson et al), 952
NEUROLOGIC MANIFESTATIONS
encephalopathy due to capillary leak syndrome (Bertorini et al), 1060
iatrogenic hypoglycemia and malpractice claims (Fink & Chaudhuri), 251
Wilson's disease (Baban et al), 535
NEUROMUSCULAR BLOCKADE
atracurium and persistent paralysis (letter) (Marinella), 95
NEUROMUSCULAR JUNCTION
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
NEUROMUSCULAR NONDEPOLARIZING AGENTS
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
NEUROPHYSIOLOGY
exposure to reduced sulfur gases impairs neurobehavioral function (Kilburn), 997
NEUROPSYCHOLOGIC TESTS
chlordane as a neurotoxin in humans (Kilburn), 299
exposure to reduced sulfur gases impairs neurobehavioral function (Kilburn), 997
NEUROTOXINS
chlordane as a neurotoxin in humans (Kilburn), 299
exposure to reduced sulfur gases impairs neurobehavioral function (Kilburn), 997

meperidine-induced generalized seizures with normal renal function (Marinella), 556
NEUTROPENIA
rapid progression of acquired amegakaryocytic thrombocytopenia to aplastic anemia (King et al), 91
NEUTROPHILS
tick-borne diseases in the United States (letter) (Cohen), 663
NIFEDIPINE
pill-induced esophageal obstruction: discovery of a peptic stricture (Kirsch), 861
NITROGEN DIOXIDE
hazards associated with metalworking by artists (Weiss & Lesser), 665
NORTH CAROLINA
cancer incidence among predominantly black, rural-poor populations in Southern states (Weiss et al), 986
NOSE DISEASES
fatal rhino-orbital-cerebral zygomycosis (Kameh et al), 1133
NURSING HOMES
setting limits and long-term care of the frail elderly (ed.) (Nusbaum), 256
NUTRITION DISORDERS
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065

prevalence of obesity with increased blood pressure in elementary school-aged children (Figueroa-Colon et al), 806
roles of mental health professionals in multidisciplinary medically supervised treatment programs for obesity (Hunter et al), 578
OBESITY, MORBID
thrombosis of the deep femoral vein: a potential pitfall of color flow duplex doppler ultrasonography (Hofmann et al), 1244
OBSTETRICS
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
OCCUPATIONAL DISEASES
Erysipelothrix rhusiopathiae endocarditis: clinical features of an occupational disease (Hill & Ghassemian), 1147
hazards associated with metalworking by artists (Weiss & Lesser), 665
pleural thickening in mild kaolinosis (Chaudhary et al), 1106
unexpected opportunities: incidental findings detected during impairment evaluations for coal workers' pneumoconiosis (Prince & Frank), 413
OCCUPATIONAL EXPOSURE
exposure to reduced sulfur gases impairs neurobehavioral function (Kilburn), 997
mesothelioma: a study of 22 cases (King et al), 199
passive smoking exposure on submarines (letter) (Cohen), 863
reactive airways dysfunction syndrome: occurrence after exposure to a refractory ceramic fiber-phosphoric acid binder mixture (Forrester), 447
ODDS RATIO
cervical intraepithelial neoplasia in HIV-infected women in a southeastern US population (Drapkin et al), 893
depressive symptoms as correlates of polydrug use for blacks in a high-risk community (Wang et al), 1123
OFFICE VISITS
cervical and breast cancer screening rates in Sioux Indian women (Mahmoodian), 316
OFLOXACIN
multicenter, randomized study comparing levofloxacin and ciprofloxacin for uncomplicated skin and skin structure infections (Nichols et al), 1193
OGILVIE'S SYNDROME. see COLONIC PSEUDO-OBSTRUCTION
OLIGODENDROGLIA
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
OMEPRAZOLE
cervical esophageal web caused by an inlet patch of gastric mucosa (Waring & Wo), 554
laryngeal manifestations of gastroesophageal reflux before and after treatment with omeprazole (Shaw & Searl), 1115
pill-induced esophageal obstruction: discovery of a peptic stricture (Kirsch), 861
twenty-four-hour ambulatory esophageal pH monitoring in the diagnosis of acid reflux-related chronic cough (Vaezi & Richter), 305
ONDANSETRON
marijuana to prevent nausea and vomiting in cancer patients: a survey of clinical oncologists (Schwartz et al), 167
OPPORTUNISTIC INFECTIONS
history of the cytomegalovirus (Riley), 184
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
neonatal *Torulopsis glabrata* fungemia (Reich et al), 246
nonfatal gastric mucormycosis in a renal transplant recipient (Martinez et al), 341
spontaneous resolution of rhodococcal pulmonary infection in a liver transplant recipient (Schilz et al), 850
synchronous pulmonary cryptococcosis and histoplasmosis (Ramirez-Ortiz et al), 729
OPTIC NEURITIS
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
ORBITAL DISEASES
fatal rhino-orbital-cerebral zygomycosis (Kameh et al), 1133
ORCHIECTOMY
late recurrence of seminoma (Blanke et al), 653
resistance to gonadotropin-relasing hormone agonist in a patient with metastatic prostate cancer (letter) (Krongrad et al), 460

ORGAN SYSTEM FAILURE INDEX
outcome in medical intensive care unit patients requiring abdominal surgery: prospective validation of a risk classification system (Kollef & Allen), 405
ORGANOTECHNETIUM COMPOUNDS
radionuclide angiography as a confirmatory test for brain death: a review of 229 studies in 219 patients (Flowers & Patel), 1091
OROPHARYNX
methemoglobinemia caused by benzocaine topical spray (Cooper), 946
OSTEOARTHRITIS
anserine bursitis: a brief review (Handy), 376
drooping of the big toe: another diagnostic marker for L-5 radiculopathy (Madden & Lazaro), 209
OSTEOCHONDRODYSPLASIAS
recurrence of spondylothoracic dysplasia (Jarcho-Levin syndrome) in a family (Bautista et al), 1234
OSTEOMYELITIS
surgical morbidity and the risk of amputation due to infected puncture wounds in diabetic versus nondiabetic adults (Armstrong et al), 384
OTITIS MEDIA
airway management in a patient with Hecht's syndrome (Lano & Werkhaven), 1241
illnesses and injuries at summer camp (Key), 489
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
OUTCOME AND PROCESS ASSESSMENT (HEALTH CARE)
how to treat coexistent mental illness and substance abuse (Velasco et al), 180
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965

physician education in hyperlipidemia management: the impact on collaboration (Czerwinski et al), 685
premature rupture of membranes at term with an unfavorable cervix: comparison of expectant management, vaginal prostaglandin, and oxytocin induction (McCaul et al), 1229
OUTPATIENT CARE. see AMBULATORY CARE
OVARIAN NEOPLASMS
management of the adnexal mass in the 1990s (Gallup & Talledo), 972
stage I ovarian carcinoma: specialty-related differences in survival and management (Puls et al), 1097
OVARIECTOMY
autoimmune progesterone dermatitis: onset in a woman without previous exogenous progesterone exposure (Moody & Schatten), 845
management of the adnexal mass in the 1990s (Gallup & Talledo), 972
OVERDOSE
Campho-Phenique ingestion: an intentional overdose (Lahoud et al), 647
narcan therapy (letter) (Martin), 95
narcan therapy (letter, reply) (Alson et al), 96
problems in assessment of acute melatonin overdose (Holliman & Chyka), 451
OVULATION
correlation of menstrual cycle at time of breast cancer surgery to disease-free and overall survival (Vanek et al), 780
OXIDATIVE STRESS
oxidative stress in diabetic macrovascular disease: does homocysteine play a role? (Fonseca et al), 903
OXIMES
radionuclide angiography as a confirmatory test for brain death: a review of 229 studies in 219 patients (Flowers & Patel), 1091
OXYGEN
hazards associated with metalworking by artists (Weiss & Lesser), 665
methemoglobinemia caused by benzocaine topical spray (Cooper), 946
OXYGEN CONSUMPTION
recurrence of spondylothoracic dysplasia (Jarcho-Levin syndrome) in a family (Bautista et al), 1234
OXYGEN THERAPY
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
OXYTOCICS
premature rupture of membranes at term with an unfavorable cervix: comparison of expectant management, vaginal prostaglandin, and oxytocin induction (McCaul et al), 1229
OYSTERS
Vibrio vulnifius infection: an important cause of septicemia in patients with cirrhosis (Vollberg & Herrera), 1040

P

PAGET-SCHROETTER SYNDROME
primary subclavian vein thrombosis and pulmonary embolism (Roy et al), 748
PAIN
cancer pain management and rectal opioids (letter, reply) (Conroy), 366
cancer pain management and rectal opioids (letter) (Rousseau), 365
primary cardiac lymphoma: initial symptoms suggestive of gastrointestinal disease (Nakachbandi & Day), 539
resistance to gonadotropin-relasing hormone agonist in a patient with metastatic prostate cancer (letter) (Krongrad et al), 460
PAIN, INTRACTABLE
systemic radionuclide therapy with strontium chloride Sr 89 for painful skeletal metastases in prostate and breast cancer (Patel & Flowers), 506
PAIN, POSTOPERATIVE
seizure after overdose of tramadol (Tobias), 826
PALLIATIVE CARE
elevated tumor-associated antigen CA19-9 in a patient with an enlarged pancreas: does it always imply malignancy? (Tolliver & O'Brien), 89
en bloc pancreaticoduodenectomy and colectomy for duodenal neoplasms (Edwards et al), 733

prostate cancer metastatic only to the penis (Celebi et al), 959

nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769

PARANASAL SINUS DISEASES
fatal rhino-orbital-cerebral zygomycosis (Kameh et al), 1133

PARANEOPLASTIC SYNDROMES
dermatomyositis in association with rubulovillous adenoma: resolution after resection of adenoma (Badr et al), 321
granuloma annulare associated with malignancy (Cohen), 1056
Hodgkin's disease associated with neurologic paraneoplastic syndrome (Vickers & Niederhuber), 839

PARAPROTEINEMIAS
Hodgkin's disease associated with neurologic paraneoplastic syndrome (Vickers & Niederhuber), 839

PARESIS
Hodgkin's disease associated with neurologic paraneoplastic syndrome (Vickers & Niederhuber), 839

PARESTHESIA
the great imitator: Rocky Mountain spotted fever occurring after hospitalization for unrelated illnesses (Eloubeidi et al), 943

PARKINSON DISEASE
acute colonic pseudo-obstruction complicated by cecal perforation in a patient with Parkinson's disease (Marinella), 1023
diagnosis of Alzheimer's disease in a community hospital-based brain bank program (Pearl), 720
monoamine oxidase inhibitors and cardiac anesthesia revisited (Noorily et al), 836

PARKINSON DISEASE, SYMPTOMATIC
parkinsonian syndrome in a dialysis-supported patient receiving high-dose chemotherapy for multiple myeloma (letter) (Fleming & Mangino), 364

PAROTID NEOPLASMS
combined saphenous vein with free flap reconstruction in the treatment of carotid stenosis (Pappas et al), 1139
Warthin's tumor and cigarette smoking (Vories & Ramirez), 416

PAROTITIS
sarcoidosis associated with recurrent pancreatitis (Limaye et al), 431

PARVOVIRUS B19, HUMAN
unexpected second trimester pregnancy loss due to maternal parvovirus B19 infection (Lowden & Weinstein), 702

PATIENT ACCEPTANCE OF HEALTH CARE
cervical and breast cancer screening rates in Sioux Indian women (Mahmoodian), 316

PATIENT ADMISSION
prospective assessment of triage in an urban emergency department (Waldrop et al), 1208
use of emergency departments by the elderly in rural areas (Hamdy et al), 616

PATIENT ADVOCACY
assessing testamentary capacity in elderly people (Regan & Gordon), 13
setting limits and long-term care of the frail elderly (ed.) (Nusbaum), 256

PATIENT CARE

PATIENT POSITIONING
shifting percussion dullness of the chest: a sign of pleural effusion (Gilbert), 1255
PATIENT SATISFACTION
evagations: attitude (Eichold), 677
PATIENT SELECTION
bedside teaching (Kroenke et al), 1069
blood glucose determination: point of care testing (Bennett), 678
prospective assessment of triage in an urban emergency department (Waldrop et al), 1208
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965
PEAK INSPIRATORY PRESSURE
ventilator management of infants before extracorporeal membrane oxygenation (Edwards et al), 627
PEDIATRICS
airway management in a patient with Hecht's syndrome (Lano & Werkhaven), 1241
back pain in children and adolescents: a retrospective review of 648 patients (Combs & Caskey), 789
cefixime: an oral option for the treatment of multidrug-resistant enteric fever in children (Memon et al), 1204
conscious sedation with high-dose midazolam for pediatric gastrointestinal endoscopy (Gremse et al), 821
the culture of morning report: ethnography of a clinical teaching conference (Hill et al), 594
fatal iron intoxication in an infant (Morse et al), 1043
fatal rhino-orbital-cerebral zygomycosis (Kameh et al), 1133
home health care: pediatric education in the community (Greenberg), 390
pediatric Graves' disease: therapeutic options and experience with radioiodine at the University of Mississippi Medical Center (Moll & Patel), 1017
prevalence of obesity with increased blood pressure in elementary school-aged children (Figueroa-Colon et al), 806
psychiatric perspective of pediatric human immunodeficiency virus infection (Stolar & Fernandez), 1007
recurrence of spondylothoracic dysplasia (Jarcho-Levin syndrome) in a family (Bautista et al), 1234
respiratory depression in a child unintentionally exposed to transdermal fentanyl patch (Hardwick et al), 962
role of hydrolyzed formulas in nutritional allergy prevention in infants (Blecker), 1170
seizure after overdose of tramadol (Tobias), 826
sudden death due to disseminated cryptococcosis in a child with leukemia in remission (Lascari et al), 1253
PELVIC NEOPLASMS
Hodgkin's disease associated with neurologic paraneoplastic syndrome (Vickers & Niederhuber), 839
PENICILLIN
Lemierre's syndrome (Lee et al), 640
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
PENICILLIN G
Erysipelothrix rhusiopathiae endocarditis: clinical features of an occupational disease (Hill & Ghassemian), 1147
pneumococcal sacroiliitis (Pinson et al), 649
thoracic actinomycosis and human immunodeficiency virus infection (Ossorio et al), 1136
PENICILLIN RESISTANCE
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae:* implications for outpatient treatment (Waites et al), 621
PENICILLINS
Clostridium difficile infection in obstetric and gynecologic patients (James et al), 889
pneumococcal sacroiliitis (Pinson et al), 649
PENILE NEOPLASMS
prostate cancer metastatic only to the penis (Celebi et al), 959
PEPTIC ULCER
Helicobacter pylori-associated gastroduodenal disease in childhood (Blecker), 570
PERCUSSION
shifting percussion dullness of the chest: a sign of pleural effusion (Gilbert), 1255
PERICARDIAL EFFUSION
delayed posttraumatic tamponade (letter, reply) (Izenberg), 568
delayed posttraumatic tamponade (letter) (Spodick), 568
primary cardiac lymphoma: initial symptoms suggestive of gastrointestinal disease (Nakachbandi & Day), 539
PERINEUM
comparison of three perineal procedures for the treatment of rectal prolapse (Agachan et al), 925
metastatic Crohn's disease (Sangüeza et al), 897
squamous cell carcinoma arising in an unhealed wound in Crohn's disease (Sarani & Orkin), 940
PERIPHERAL NERVOUS SYSTEM DISEASES
the great imitator: Rocky Mountain spotted fever occurring after hospitalization for unrelated illnesses (Eloubeidi et al), 943
neurologic and neuropsychiatric complications of Crohn's disease (Elsehety & Vertorini), 606
PERIPHERAL VASCULAR DISEASES
ceftriaxone versus cefazolin in peripheral arterial operations: a randomized, prospective trial (Ross et al), 16

PERITONEAL NEOPLASMS
mesenteric tumor emboli manifested as recurrent abdominal pain (Duckworth et al), 419
PERITONITIS
nonfatal gastric mucormycosis in a renal transplant recipient (Martinez et al), 341
Vibrio vulnifius infection: an important cause of septicemia in patients with cirrhosis (Vollberg & Herrera), 1040
PERSONALITY DISORDERS
roles of mental health professionals in multidisciplinary medically supervised treatment programs for obesity (Hunter et al), 578
PHARYNGITIS
duodenal obstruction in thyroid storm (Cansler et al), 1143
Eagle's syndrome (elongated styloid process) (Balbunea et al), 331
laryngeal manifestations of gastroesophageal reflux before and after treatment with omeprazole (Shaw & Searl), 1115
Lemierre's syndrome (Lee et al), 640
PHENOLS
Campho-Phenique ingestion: an intentional overdose (Lahoud et al), 647
PHENYTOIN
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
pharmacologic and dietary therapies in epilepsy: conventional treatments and recent advances (Chapman & Giles), 471
PHOSGENE
hazards associated with metalworking by artists (Weiss & Lesser), 665
PHOSPHORIC ACIDS
reactive airways dysfunction syndrome: occurrence after exposure to a refractory ceramic fiber-phosphoric acid binder mixture (Forrester), 447
PHYSICAL EXAMINATION
bedside teaching (Kroenke et al), 1069
shifting percussion dullness of the chest: a sign of pleural effusion (Gilbert), 1255
PHYSICAL FITNESS
effects of cardiac rehabilitation and exercise programs on exercise capacity, coronary risk factors, behavior, and quality of life in patients with coronary artery disease (Maines et al), 43
PHYSICIAN ASSISTANTS
efficacy of a central venous access service (Walters et al), 37
PHYSICIAN-PATIENT RELATIONS
bedside teaching (Kroenke et al), 1069
how to treat coexistent mental illness and substance abuse (Velasco et al), 180
peer discussion on training physicians to be competent communicators: support for a multiple discourse approach (Parrott et al), 709
setting limits and long-term care of the frail elderly (ed.) (Nusbaum), 256
stroke and malpractice claims (Fink & Chaudhuri), 901
PHYSICIANS, FAMILY
stroke and malpractice claims (Fink & Chaudhuri), 901
PHYSICIAN'S PRACTICE PATTERNS
physician education in hyperlipidemia management: the impact on collaboration (Czerwinski et al), 685
undocumented smokeless tobacco use in a family practice population (Feierabend), 1225
PHYSICIAN'S ROLE
women's experiences with domestic violence and their attitudes and expectations regarding medical care of abuse victims (Caralis & Musialowski), 1075
PHYSICIANS, WOMEN
cancer screening in women by internal medicine resident physicians (Borum), 1101
PHYTONADIONE
surreptitious superwarfarin poisoning with brodifacoum (Tecimer & Yam), 1053
PILLS. see TABLETS
PITUITARY DISEASES
fatal rhino-orbital-cerebral zygomycosis (Kameh et al), 1133
PLACEBO EFFECT
cholecystectomy alleviates acalculous biliary pain in patients with a reduced gallbladder ejection fraction (Khosla et al), 1087
PLACENTA DISEASES
Guillain-Barré syndrome and cytomegalovirus infection during pregnancy (Mendizabal & Bassam), 63
PLASMA CELLS
myelomatous pleural effusion (Meoli et al), 65
PLASMAPHERESIS
alveolar hemorrhage in IgA nephropathy treated with plasmapheresis (Afessa et al), 237
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
Guillain-Barré syndrome and cytomegalovirus infection during pregnancy (Mendizabal & Bassam), 63
PLATELET AGGREGATION INHIBITORS
intracranial hemorrhage complicating acute myocardial infarction in the era of thrombolytic therapy (Conrad et al), 5
PLATELET COUNT
autoimmune thrombocytopenic purpura associated with hyperthyroidism in a single individual (Aggarwal & Doolittle), 933
PLATELET TRANSFUSION
rapid progression of acquired amegakaryocytic thrombocytopenia to aplastic anemia (King et al), 91
PLATELET-DERIVED GROWTH FACTOR
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
PLETHYSMOGRAPHY
diaphragmatic flutter emulating recalcitrant asthma (Harrison & Onorato), 234
PLEURAL DISEASES
is there an anatomic explanation for chest pain in patients with pulmonary sarcoidosis? (Highland et al), 911
pleural thickening in mild kaolinosis (Chaudhary et al), 1106
PLEURAL EFFUSION
an unusual complication of diabetes mellitus: the zebra that became a horse (Nicol & Davis), 83
anaplastic large cell lymphoma of T-cell phenotype in acquired immunodeficiency syndrome (Bozner & Elkhalifa), 559
focal reexpansion pulmonary edema after drainage of large pleural effusions: clinical evidence suggesting hypoxic injury to the lung as the cause of edema (Woodring), 1176
shifting percussion dullness of the chest: a sign of pleural effusion (Gilbert), 1255
symptomatic pleural collection of cerebrospinal fluid

caused by a ventriculopleural shunt (Sanders et al), 345
tension hydrothorax (Yaylali et al), 1156
PLEURAL EFFUSION, MALIGNANT
myelomatous pleural effusion (Meoli et al), 65
PLEURAL NEOPLASMS
solitary fibrous tumors: a series of lesions, some in unusual sites (Khalifa et al), 793
PNEUMOAPPENDIX
pneumoappendix after an inversion appendectomy (Barone et al), 1250
PNEUMOCOCCAL INFECTIONS
pneumococcal sacroiliitis (Pinson et al), 649
in vitro activities of oral antimicrobial agents against penicillin-resistant *Streptococcus pneumoniae*: implications for outpatient treatment (Waites et al), 621
PNEUMOCONIOSIS
pleural thickening in mild kaolinosis (Chaudhary et al), 1106
unexpected opportunities: incidental findings detected during impairment evaluations for coal workers' pneumoconiosis (Prince & Frank), 413
PNEUMOMEDIASTINUM
Stevens-Johnson syndrome and respiratory failure in a 9-year-old boy (Schamberger et al), 755
PNEUMONIA
community-acquired pneumonia in the elderly (letter) (Byrd & Roy), 863
respiratory manifestations of tick-borne diseases in the Southeastern United States (Byrd et al), 1
PNEUMONIA, ASPIRATION
acute colonic pseudo-obstruction complicated by cecal perforation in a patient with Parkinson's disease (Marinella), 1023
PNEUMONIA, BACTERIAL
community-acquired pneumonia in the elderly: association of mortality with lack of fever and leukocytosis (Ahkee et al), 296
PNEUMONIA, MYCOPLASMA
Stevens-Johnson syndrome and respiratory failure in a 9-year-old boy (Schamberger et al), 755
PNEUMONIA, *PNEUMOCYSTIS CARINII*
survival benefits of pulmonary cellular activation in AIDS patients with *Pneumocystis* infection (Sharma et al), 531
PNEUMONITIS. see LUNG DISEASES, INTERSTITIAL

POINT-OF-CARE SYSTEMS
bedside teaching (Kroenke et al), 1069
blood glucose determination: point of care testing (Bennett), 678
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
POISONING
fatal iron intoxication in an infant (Morse et al), 1043
sarin poisoning in Tokyo subway (Ohbu et al), 586
surreptitious superwarfarin poisoning with brodifacoum (Tecimer & Yam), 1053
POLYENDOCRINOPATHIES, AUTOIMMUNE
synchronous pulmonary cryptococcosis and histoplasmosis (Ramirez-Ortiz et al), 729
POLYETHYLENE GLYCOLS
outpatient bowel preparation for elective colon resection (Le et al), 526
POLYMERASE CHAIN REACTION
chronic hepatitis C (Sharara), 872
polymerase chain reaction testing for early detection of HIV infection in children (Midani & Rathore), 294
POLYMYOSITIS
bronchiolitis obliterans organizing pneumonia as the first manifestation of polymyositis (Fata et al), 227
tongue involvement in a patient with granulomatous myositis (Khan et al), 937
POLYMYXIN B
the addition of antibiotics to fibrin glue (Thompson & Davis), 681
nondepolarizing neuromuscular blocking drugs in the intensive care unit: a clinical review (Reeves & Turcasso), 769
POLYPS
management of gallbladder polyps (Mangel), 481
POLYRADICULONEURITIS
Guillain-Barré syndrome and cytomegalovirus infection during pregnancy (Mendizabal & Bassam), 63
PORPHYRIA CUTANEA TARDA
chronic hepatitis C (Sharara), 872
PORTAL VEIN
an unusual complication of diabetes mellitus: the zebra that became a horse (Nicol & Davis), 83
intravascular tumor: a previously unreported finding of glucagonoma (Geehan et al), 743
PORTASYSTEMIC SHUNT, TRANSJUGULAR INTRAHEPATIC
radiodermatitis after transjugular intrahepatic portosystemic shunt (Knautz et al), 352
POSITIVE-PRESSURE RESPIRATION
focal reexpansion pulmonary edema after drainage of large pleural effusions: clinical evidence suggesting hypoxic injury to the lung as the cause of edema (Woodring), 1176
noninvasive positive pressure ventilation (Clark & Lahren), 72
ventilator management of infants before extracorporeal membrane oxygenation (Edwards et al), 627
POSTOPERATIVE CARE
outcome in medical intensive care unit patients requiring abdominal surgery: prospective validation of a risk classification system (Kollef & Allen), 405
POSTOPERATIVE COMPLICATIONS
the addition of antibiotics to fibrin glue (Thompson & Davis), 681
comparison of three perineal procedures for the treatment of rectal prolapse (Agachan et al), 925
elective versus emergency cesarean hysterectomy on a teaching service—1981 to 1991 (Lu et al), 50
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705

Campho-Phenique ingestion: an intentional overdose (Lahoud et al), 647
SOUTH CAROLINA
medical care for mass gatherings at collegiate football games (Shelton et al), 1081
SOUTHEASTERN UNITED STATES
cervical intraepithelial neoplasia in HIV-infected women in a southeastern US population (Drapkin et al), 893
hypertension-related mortality and morbidity in the Southeast (Lackland & Moore), 191
SOY PROTEINS
role of hydrolyzed formulas in nutritional allergy prevention in infants (Blecker), 1170
SPHINCTEROTOMY, ENDOSCOPIC
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
SPINAL DISEASES
back pain in children and adolescents: a retrospective review of 648 patients (Combs & Caskey), 789
SPINAL INJURIES
posttraumatic cervical osteophytosis causing progressive dysphagia (McGarrah & Teller), 858
SPINAL NERVE ROOTS
drooping of the big toe: another diagnostic marker for L-5 radiculopathy (Madden & Lazaro), 209
SPINAL OSTEOPHYTOSIS
posttraumatic cervical osteophytosis causing progressive dysphagia (McGarrah & Teller), 858
SPINE
recurrence of spondylothoracic dysplasia (Jarcho-Levin syndrome) in a family (Bautista et al), 1234
SPIROCHETALES INFECTIONS
appendiceal spirochetosis (Yang & Lapham), 30
SPIROMETRY
pulmonary function tests: comparison of 95th percentile-based and conventional criteria of normality (Margolis et al), 1187
SPLANCHNIC CIRCULATION
mesenteric tumor emboli manifested as recurrent abdominal pain (Duckworth et al), 419
SPLENECTOMY
isolated splenic metastases from colon cancer (Indudhara et al), 633
wandering spleen: a challenging diagnosis (Desai et al), 439
SPLENIC INFARCTION
wandering spleen: a challenging diagnosis (Desai et al), 439
SPLENIC NEOPLASMS
renal angiosarcoma: a rare primary genitourinary malignancy (Mordkin et al), 1159
intravascular tumor: a previously unreported finding of glucagonoma (Geehan et al), 743
isolated splenic metastases from colon cancer (Indudhara et al), 633
SPLENIC VEIN
an unusual complication of diabetes mellitus: the zebra that became a horse (Nicol & Davis), 83
intravascular tumor: a previously unreported finding of glucagonoma (Geehan et al), 743
SPLENOGONADAL FUSION
splenogonadal fusion with limb deficiency and micrognathia (Moore et al), 1152
SPLENOMEGALY
intermittent fever and pancytopenia in a young Mexican man (Schussler et al), 1037
radiodermatitis after transjugular intrahepatic portosystemic shunt (Knautz et al), 352
systemic ehrlichiosis presenting as progressive hepatosplenomegaly (Friedman et al), 656
Vibrio vulnifius infection: an important cause of septicemia in patients with cirrhosis (Vollberg & Herrera), 1040
SPLENOPEXY
wandering spleen: a challenging diagnosis (Desai et al), 439
SPOROTRICHOSIS
sporotrichoid cutaneous leishmaniasis in a traveler (Willems et al), 325
SPORTS
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
medical care for mass gatherings at collegiate football games (Shelton et al), 1081
SPOUSE ABUSE
women's experiences with domestic violence and their attitudes and expectations regarding medical care of abuse victims (Caralis & Musialowski), 1075
SPRAINS AND STRAINS
illnesses and injuries at summer camp (Key), 489
STAINS AND STAINING
survival benefits of pulmonary cellular activation in AIDS patients with *Pneumocystis* infection (Sharma et al), 531
STAPHYLOCOCCAL INFECTIONS
ceftriaxone versus cefazolin in peripheral arterial operations: a randomized, prospective trial (Ross et al), 16
multicenter, randomized study comparing levofloxacin and ciprofloxacin for uncomplicated skin and skin structure infections (Nichols et al), 1193
neonatal *Torulopsis glabrata* fungemia (Reich et al), 246
perioperative transfusion, postoperative infection, and recurrence of head and neck cancer (Sturgis et al), 1217
STATUS ASTHMATICUS
diaphragmatic flutter emulating recalcitrant asthma (Harrison & Onorato), 234
noninvasive positive pressure ventilation (Clark & Lahren), 72
STEM CELLS
current and investigational therapies used to alter the course of disease in multiple sclerosis (Miller), 367
STENTS
endoscopic retrograde cholangiopancreatography in the treatment of bile leaks and bile duct strictures after laparoscopic cholecystectomy (Aru et al), 705
STERNOTOMY
reducing cardiac surgical trauma: the minimally invasive direct coronary artery bypass (Fishman et al), 965

STEVENS-JOHNSON SYNDROME
Stevens-Johnson syndrome and respiratory failure in a 9-year-old boy (Schamberger et al), 755
STIBOGLUCONATE. see ANTIMONY SODIUM GLUCONATE
STOMACH NEOPLASMS
gastric adenocarcinoma and low-grade B-cell lymphoma of mucosa-associated lymphoid tissue (Hardman et al), 426
Helicobacter pylori-associated gastroduodenal disease in childhood (Blecker), 570
surgical treatment of gastrointestinal B-cell mucosa-associated lymphoid tissue lymphomas (Papachristodoulou et al), 723
STOMACH ULCER
Helicobacter pylori-associated gastroduodenal disease in childhood (Blecker), 570
nonfatal gastric mucormycosis in a renal transplant recipient (Martinez et al), 341
STREPTOCOCCAL INFECTIONS
acute pansinusitis with bacteremia due to a beta-hemolytic group C streptococcus: *Streptococcus milleri* (El-Guizaoui & Watanakunakorn), 1248
multicenter, randomized study comparing levofloxacin and ciprofloxacin for uncomplicated skin and skin structure infections (Nichols et al), 1193
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
perforated cecal adenocarcinoma presenting as a thigh abscess (Mann et al), 949
STREPTOKINASE
acute myocardial infarction in patients who have had coronary artery bypass surgery (Shapira et al), 1129
intracranial hemorrhage complicating acute myocardial infarction in the era of thrombolytic therapy (Conrad et al), 5
STRESS DISORDERS, POSTTRAUMATIC
sarin poisoning in Tokyo subway (Ohbu et al), 586
STRESS, MECHANICAL
focal reexpansion pulmonary edema after drainage of large pleural effusions: clinical evidence suggesting hypoxic injury to the lung as the cause of edema (Woodring), 1176
STRESS, PSYCHOLOGICAL
psychiatric perspective of pediatric human immuno-deficiency virus infection (Stolar & Fernandez), 1007

the culture of morning report: ethnography of a clinical teaching conference (Hill et al), 594
TECHNETIUM COMPOUNDS
radionuclide angiography as a confirmatory test for brain death: a review of 229 studies in 219 patients (Flowers & Patel), 1091
TEENAGE ATTITUDES AND PRACTICES SURVEY
social influence on southern adolescents' smoking transition: a retrospective study (Wang et al), 218
TEMPORAL BONE
hemangioma of the temporal bone in a patient presumed to have Ménière's syndrome (Burton et al), 736
TEMPORAL LOBE
idiopathic midesophageal stricture: a new cause of dysphagia in a patient with AIDS (Shaprio et al), 80
TEMPOROMANDIBULAR JOINT DISORDERS
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
Eagle's syndrome (elongated styloid process) (Balbunea et al), 331
TENDONS, PARA-ARTICULAR
drooping of the big toe: another diagnostic marker for L-5 radiculopathy (Madden & Lazaro), 209

TENSION HEADACHE
diagnosis, prophylaxis, and treatment of headaches in the athlete (Swain & Kaplan), 878
TERATOGENS
splenogonadal fusion with limb deficiency and micrognathia (Moore et al), 1152
TERATOMA
management of the adnexal mass in the 1990s (Gallup & Talledo), 972
TERAZOSIN
side effects of terazosin in the treatment of symptomatic benign prostatic hyperplasia (McKiernan & Lowe), 509
TERBUTALINE
potential for tolerance, morbidity, and mortality resulting from regular use of β_2-adrenergic agonists in asthma (Giangrasso), 173
TERMINAL CARE
setting limits and long-term care of the frail elderly (ed.) (Nusbaum), 256
TERRORISM
sarin poisoning in Tokyo subway (Ohbu et al), 586
TESTICULAR NEOPLASMS
late recurrence of seminoma (Blanke et al), 653
TESTOSTERONE
resistance to gonadotropin-relasing hormone agonist in a patient with metastatic prostate cancer (letter) (Krongrad et al), 460
TETANUS TOXOID
necrotizing fasciitis: improved survival with early recognition by tissue biopsy and aggressive surgical treatment (Majeski & Majeski), 1065
TETANY
hyperphosphatemia associated with phosphorus-containing laxatives in a patient with chronic renal insufficiency (Escalante et al), 240
TETRACYCLINE
